AE210	Continued From page 1 requirements, and the delivery of personal care and supportive services in an ECC facility. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to provide evidence that one employee (Administrator) completed four-hours Extended Congregate Care (ECC) Training within three months of employment as required for facilities that hold an ECC specialty license. Findings Included: A review of the facility's license, conducted on _____, revealed that the facility held a specialty ECC license. A record review for the Administrator, conducted on _____, revealed that the Administrator's employee record did not have evidence that the employee completed a four-hours ECC Training within three months of employment. The Administrator was hired on _____. During an interview with the Business Office Manager, conducted on _____ at 04:34pm, the Business Office Manager agreed that the Administrator did not have evidence that she completed four hours of ECC training within three months of employment.
