A supply of eating ware sufficient for all residents, including adaptive equipment if needed by any resident, must be on (h) A 3-day supply of nonperishable food, based on the number of weekly meals the facility has with residents to serve, must be on at all times. The quantity must be based on the resident census and not on licensed capacity. The supply must consist of foods that can be stored safely without refrigeration. Water sufficient for drinking and food preparation must also be stored, or the facility must have a plan for obtaining water in an emergency, with the plan coordinated with and reviewed by the local disaster preparedness authority. This Statute or Rule is not met as evidenced by: Based on observation, record review, and interview, the facility failed to have a regular and therapeutic menu that are review annually by a licensed or registered dietician to ensure that the meals meet the nutritional standards established by the USDA Dietary Guidelines for Americans, 2010. The facility failed to have the adequate amount of 3-days supply of nonperishable foods, in the event of an emergency, for a census of 6 residents . Finding include: A) A review of the facility posted menu on it showed that the facility only had a regular/therapeutic lunch menu from a catering service. The facility did not have a posted breakfast and dinner menus or alternative menu.	A 093
