A 032 SS=G	59A-36.007(7) FAC Resident Care - Elopement Standards 59A-36.007 (7) ELOPEMENT STANDARDS. (a) Residents Assessed at Risk for Elopement. All residents assessed at risk for elopement or with any history of elopement must be identified so staff can be alerted to their needs for support and supervision. All residents must be assessed for risk of elopement by a health care provider or a mental health care provider within 30 calendar days of being admitted to a facility. If the resident has had a health assessment performed prior to admission pursuant to paragraph 59A-36.006(2)(a), F.A.C., this requirement is satisfied. A resident placed in a facility on a temporary emergency basis by the Department of Children and Families pursuant to Section 415.105 or 415.1051, F.S., is exempt from this requirement for up to 30 days. 1. As part of its resident elopement response policies and procedures, the facility must make, at a minimum, a daily effort to determine that at risk residents have identification on their persons that includes their name and the facility's name, address, and telephone number. Staff trained pursuant to paragraph 59A-36.011(10)(a) or (c), F.A.C., must be generally aware of the location of all residents assessed at high risk for elopement at all times. 2. The facility must have a photo identification of at risk residents on file that is accessible to all facility staff and law enforcement as necessary.	A 032

A 032	Continued From page 1 The facility's file must contain the resident's photo identification upon admission or upon being assessed at risk for elopement subsequent to admission. The photo identification may be provided by the facility, the resident, or the resident's representative. (b) Facility Resident Elopement Response Policies and Procedures. The facility must develop detailed written policies and procedures for responding to a resident elopement. At a minimum, the policies and procedures must provide for: 1. An immediate search of the facility and premises, 2. The identification of staff responsible for implementing each part of the elopement response policies and procedures, including specific duties and responsibilities, 3. The identification of staff responsible for contacting law enforcement, the resident's family, guardian, health care surrogate, and case manager if the resident is not located pursuant to subparagraph (8)(b)1.; and, 4. The continued care of all residents within the facility in the event of an elopement. (c) Facility Resident Elopement Drills. The facility must conduct and document resident elopement drills pursuant to Section 429.41(1)(k), F.S. This Statute or Rule is not met as evidenced by: Based on observations, record review and interviews, the facility failed to provide supervision to prevent an elopement and did not follow the facility's operating procedure for "elopement/missing residents" for 2 of 8 sampled residents (#1 & #7). A 032	Continued From page 2 1. Review of an incident report dated revealed resident #1 eloped from the facility at 12:25 AM. According to the report, the resident was found a quarter of a mile away at a local fast-food establishment. Staff who found the resident reported the resident was using her push walker. The facility's corrective action at the time of the elopement was to place the resident in the locked Memory Care Unit. Review of the facility elopement/missing persons operating procedure read, "Elopement drills are conducted monthly, staff alert their supervisor of the elopement and start a building search, staff are to search the surrounding community, if the resident is not found, law enforcement is contacted; if the resident is found, an assessment of the resident is completed looking for possible injuries, resident is transferred to a local medical facility for a medical evaluation, primary care physician and family is notified; complete and AHCA (Agency for Health Care Administration) incident report, complete service plan, updated assessment and document in residents record." On at 1:02 PM with the administrator, the resident #1's complete record was requested and a sample of residents including health assessments form 1823 and observation notes. Resident #1's file revealed an updated AHCA health assessment form 1823 which documented the resident was an elopement risk. The facility did not provide resident #1's observation notes. On at 6:15 PM, the family of resident #1 stated they were supportive of resident #1 being moved into the memory care unit. They said they were concerned that if she was left in the assisted living facility portion of the building,	A 032

Resident #1 did not have anything around her , ankle, or neckline. On at 6 PM, Med Tech G stated she was working the night resident #1 eloped from the facility. Med Tech G stated she was responsible for searching the surrounding neighborhood and found the resident down the street at a fast-food location. She stated resident #1 was encouraged to walk to the facility. Med Tech G explained the facility does not require sign-outs overnight and that a resident can get out the door, but it locked behind them and they cannot get into the building. 2. Resident #7's AHCA health assessment form 1823 revealed the resident an elopement risk. Observation notes were requested but were not provided. On at 6:47 PM, the family of resident #7 started they were not aware the health assessment form 1823 had identified their family member as an elopement. The family confirmed resident #7 would leave the building if there was an opportunity. They stated they had not seen identification on the resident. On at 11:30 AM, an observation of the Memory Care unit found that none of the residents 16 residents present wore any type of identification. This observation included resident #1 and resident #7. On at 11:57 AM, Medication Technician (Med Tech) F stated none of the Memory Care residents have any identification on their person. On at 10:18 AM, Med Tech K confirmed residents can leave the facility at night but would be unable to re-enter because the doors are locked. On at 10:47 AM, Med Tech L stated she was working at the time of the elopement of resident #1. She stated she worked in the Memory Care Unit. She said she did hear other staff discussing what to do and what they had completed. However, she did not do a count or search of her area. On at 11:50 AM, the administrator said resident #1 had been taken to a medical facility for assessment, as required in the facility policy, and documentation was noted in resident #1's observation notes. The observation notes were requested but did not receive them. Review of the facility's elopement drills revealed elopement drills were done on at 1:58 PM, - no time listed, - no time listed, - no time listed, - no time listed, - no time listed. Class II	A 032
