CZ841	Continued From page 2 (e) The providers shall provide their visitation policies and procedures to the agency when applying for initial licensure, licensure renewal, or change of ownership. The provider must make the visitation policies and procedures available to the agency for review at any time, upon request. (f) Within 24 hours after establishing the policies and procedures required under this section, providers must make such policies and procedures easily accessible from the homepage of their websites. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to establish a visitation policy on the facility's website. Findings included: A record review of the facility records on revealed no evidence of a visitation policy on the facility's website. These findings were confirmed during an interview with the Administrator on at 1:00 PM. During this interview the Administrator stated, "Corporate is always changing the website, they must have moved it to somewhere else." The administrator was unable to locate the visitation policy on the website. Class III	CZ841
