CZ841	Continued From page 2 providers must make such policies and procedures easily accessible from the homepage of their websites. This Statute or Rule is not met as evidenced by: Based on review of the facility electronic website, facility policy and procedure and staff interview, the facility failed to ensure the facility policy for in-person visitation was posted on the website. The findings include: During the licensure renewal survey on at 10:50 AM the administrator was asked to review the facility's website to ensure the in-person visitation policy was posted. She connected to the website on her cell phone and after review of the website confirmed that the facility does not have a visitation policy posted on their website yet (Photographic evidence obtained). No visitation policy was observed. She stated she was unaware of the new requirement. She was asked to produce the facility's visitation policy. She returned with a paper copy of the policy. Review of the facility policy and procedure entitled COVID-19 Appendix A: State of Florida Policies and Procedures: Limited Re-Opening dated revealed that it did not include information regarding the length of visitation and that essential caregivers must be allowed visitation of at least two hours daily; consensual physical contact; and designation of a person responsible for ensuring staff adhere to the policies and procedures. Further review of the policy revealed it did not include information on in-person visitation in all of the following circumstances, unless the resident, client, or	CZ841
