A 000	Initial Comments An unannounced Relicensure and Generator Monitoring survey were conducted on _____ through _____ at Solaris Senior Living Stuart. The facility had deficiencies identified related to the Relicensure at the time of the survey.	A 000		
A 078	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable _____. The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of _____ testing materials satisfies the annual _____ examination requirement. An individual with a positive _____ test must submit a health care provider's statement that the individual does not constitute a risk of _____. 2. If any staff member has, or is suspected of having, a communicable _____, such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable _____. A 078	Continued From page 1 (b) Staff must be qualified to perform their assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 59A-36.011, F.A.C. (d) An assisted living facility to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents. (e) For facilities with a licensed capacity of 17 or more residents, the facility must: 1. Develop a written job description for each staff position and provide a copy of the job description to each staff member; and, 2. Maintain time sheets for all staff. (f) Level 2 background screening must be conducted for staff, including staff by the facility to provide services to residents, pursuant to sections 408.809 and 429.174, F.S. This Statute or Rule is not met as evidenced by: Based on record review and an interview, the facility failed to ensure 1 out of 3 sampled employees (Staff B) had submitted a written statement from a health care provider documenting that the employee does not have	A 078

A 081	Continued From page 3 (1) Each new assisted living facility employee who has not previously completed core training must attend a preservice orientation provided by the facility before interacting with residents. The preservice orientation must be at least 2 hours in duration and cover topics that help the employee provide responsible care and respond to the needs of facility residents. Upon completion, the employee and the administrator of the facility must sign a statement that the employee completed the required preservice orientation. The facility must keep the signed statement in the employee's personnel record. (7) Facility staff shall participate in inservice training relevant to their job duties as specified by agency rule. Topics covered during the preservice orientation are not required to be repeated during inservice training. A single certificate of completion that covers all required inservice training topics may be issued to a participating staff member if the training is provided in a single training course. 59A-36.011 (2) STAFF PRESERVICE ORIENTATION. (a) Facilities must provide a preservice orientation of at least 2 hours to all new assisted living facility employees who have not previously completed core training as detailed in subsection (1). (b) New staff must complete the preservice orientation prior to interacting with residents. (c) Once complete, the employee and the facility administrator must sign a statement that the employee completed the preservice orientation which must be kept in the employee's personnel record. (d) In addition to topics that may be chosen by	A 081
