A 079	Continued From page 4 when the agency determines that the requirements of paragraph (a) are not met. The facility must immediately increase staff above the minimum levels established in paragraph (a), if the agency determines that adequate supervision and care are not being provided to residents, resident care standards described in rule 59A-36.007, F.A.C., are not being met, or that the facility is failing to meet the terms of residents' contracts. The agency will consult with the facility administrator and residents regarding any determination that additional staff is required. Based on the recommendations of the local fire safety authority, the agency may require additional staff when the facility fails to meet the fire safety standards described in rule chapter 69A-40, F.A.C., until such time as the local fire safety authority informs the agency that fire safety requirements are being met. 1. When additional staff is required above the minimum, the agency will require the submission of a corrective action plan within the time specified in the notification indicating how the increased staffing is to be achieved to meet resident service needs. The plan will be reviewed by the agency to determine if it sufficiently increases the staffing levels to meet resident needs. 2. When the facility can demonstrate to the agency that resident needs are being met, or that resident needs can be met without increased staffing, the agency may modify staffing requirements for the facility and the facility will no longer be required to maintain a plan with the agency. (e) Facilities that are co-located with a nursing home may use shared staffing provided that staff hours are only counted once for the purpose of meeting either assisted living facility or nursing	A 079

A 162	Continued From page 13 59A-36.006, F.A.C., 4. The resident's contract described in rule 59A-36.018, F.A.C.; and, 5. A health care provider's order for a therapeutic diet if such diet is prescribed and the resident participates in the meal plan offered by the facility. (q) Except for resident contracts, which must be retained for 5 years, all resident records must be retained for 2 years following the departure of a resident from the facility unless it is required by contract to retain the records for a longer period of time. Upon request, residents must be provided with a copy of their records upon departure from the facility. (r) Additional resident records requirements for facilities holding a limited mental health, extended congregate care, or limited nursing services license are provided in rules 59A-36.020, 59A-36.021 and 59A-36.022, F.A.C., respectively. This Statute or Rule is not met as evidenced by: Based on record review and interview the facility failed failed to have an accurate health assessment for one out of six residents (Resident #5) and it failed to have a Power of Attorney in the record of one out of six residents (Resident #1). Findings as follow: 1-Review of Resident #5's Assessment date showed the resident needed total assistance with ambulation, bathing,, eating, self-care, toileting and transferring and needed assistance with self-administration of medications. On at 12.20 PM the Administrator stated she was administering the medications to	A 162
