This Statute or Rule is not met as evidenced by: Based on observation, review of medication wavier, and interview, the facility failed to orally advise the resident of the medication names and dosages or have a waiver that identifies all of the medications intended for the resident. Findings: On at 9:03am, during medication pass, the administrator/med tech, failed to orally advise resident #1 of the name and dose of her medication. During interview on at 9:10am the administrator/med tech produced a medication waiver form for resident #1. She explained the form was implemented so she does not have to tell the resident what medication she is giving. She also explained she wrote "see MOR" so the form is always current. Review of the form revealed it was signed by the residents POA on . The form did not include names and dosages of medications. Across the area where the current medications should have been documented, "See MOR" was written. Review of residents' record revealed a physician order on to discontinue . and Hold for B/P over . These changes were indicated on the MOR.	A 052
