The inside is easy to unlock, just hit handle door and automatically unlocks to go out the room. (Photographic Evidence Obtained) Review of the facility's grievance log and there was no documentation of this grievance. The administrator stated that it was requested by the daughter to install the lock on her mother's door (#2) to keep resident #3 out of the room. Resident #3's ... and pace all over, sometimes going into other resident's rooms. The Administrator stated that Department of Children & Families (DCF) Adult Protective Investigator came out to check if resident #2's door was okay to be locked from a memory care unit. Furthermore, the door only locks from outside, easily to be unlocked from inside by simply putting ... on handle of the door to unlock and safely exit the room. All staff have a key to enter resident #2's room at any time. Observation on ... at 10:10 AM, resident #4 had a chair blocking inside of her door to prevent resident #3 to come inside her room. When asked resident #4 why, she said that resident #3 always try to come into her room and she did not want her in her room. On ... at 11:19 AM, an interview with the Administrator confirmed the finding, and offered if she could write in the grievance now. Class III	A 030
