The information from the medical examination must be recorded on the practitioner's form or on a form adopted by agency rule. The medical examination form, signed only by the practitioner, must be submitted to the owner or administrator of the facility, who shall use the information contained therein to assist in the determination of the appropriateness of the resident's admission to or continued residency in the facility. The medical examination form may only be used to record the practitioner's direct observation of the patient at the time of examination and must include the patient's medical history. Such form does not guarantee admission to, continued residency in, or the delivery of services at the facility and must be used only as an informative tool to assist in the determination of the appropriateness of the resident's admission to or continued residency in the facility. The medical examination form, reflecting the resident's condition on the date the examination is performed, becomes a permanent part of the facility's record of the resident and must be made available to the agency during inspection or upon	A 008

An assessment that has been completed through the Comprehensive Assessment and Review for Long-Term Care Services (CARES) Program fulfills the requirements for a medical examination under this subsection and s. 429.07(3)(b)6. (6) Any resident accepted in a facility and placed by the Department of Children and Families must have been examined by medical personnel within 30 days before placement in the facility. The examination must include an assessment of the appropriateness of placement in a facility. The findings of this examination must be recorded on the examination form provided by the agency. The completed form must accompany the resident and be submitted to the facility owner or administrator. Additionally, in the case of a mental health resident, the Department of Children and Families must provide documentation that the individual has been assessed by a psychiatrist, clinical psychologist, clinical social worker, or nurse, or an individual who is supervised by one of these professionals, and determined to be appropriate to reside in an assisted living facility. The documentation must be in the facility within 30 days after the mental health resident has been admitted to the facility. An evaluation completed upon discharge from a state mental hospital meets the requirements of this subsection related to appropriateness for placement as a mental health resident provided that it was completed within 90 days prior to admission to the facility. The Department of Children and Families shall provide to the facility administrator any information about the resident which would help the administrator meet his or her responsibilities under subsection (1). Regular and therapeutic menus as served, with substitutions noted before or when the meal is served, must be kept on file in the facility for 6 months. (e) Therapeutic diets must be prepared and served as ordered by the health care provider. 1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining, or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items that enable residents to comply with the therapeutic diet must be identified on the menus developed for use in the facility. 2. The facility must document a resident's refusal to comply with a therapeutic diet and provide notification to the resident's health care provider of such refusal. (f) For facilities serving three or more meals a day, no more than 14 hours must elapse between the end of an evening meal containing a protein food and the beginning of a morning meal.	A 093

The policies and procedures must allow consensual physical contact between a resident, client, or patient and the visitor. (b) A resident, client, or patient may designate a visitor who is a family member, friend, guardian, or other individual as an essential caregiver. The provider must allow in-person visitation by the essential caregiver for at least 2 hours daily in addition to any other visitation authorized by the provider. This section does not require an essential caregiver to provide necessary care to a resident, client, or patient of a provider, and providers may not require an essential caregiver to provide such care. (c) The visitation policies and procedures required by this section must allow in-person visitation in all of the following circumstances, unless the resident, client, or patient objects: 1. End-of-life situations. 2. A resident, client, or patient who was living with	CZ841
