A 008 SS=D	429.26() FS; 59A-36.006(2) FAC Admissions - Health Assessment 429.26 (5) Each resident must have been examined by a licensed physician, a licensed physician assistant, or a licensed advanced practice registered nurse within 60 days before admission to the facility or within 30 days after admission to the facility, except as provided in s. 429.07. The information from the medical examination must be recorded on the practitioner's form or on a form adopted by agency rule. The medical examination form, signed only by the practitioner, must be submitted to the owner or administrator of the facility, who shall use the information contained therein to assist in the determination of the appropriateness of the resident's admission to or continued residency in the facility. The medical examination form may only be used to record the practitioner's direct observation of the patient at the time of examination and must include the patient's medical history. Such form does not guarantee admission to, continued residency in, or the delivery of services at the facility and must be used only as an informative tool to assist in the determination of the appropriateness of the resident's admission to or continued residency in the facility. The medical examination form, reflecting the resident's condition on the date the examination is performed, becomes a permanent part of the facility's record of the resident and must be made available to the agency during inspection or upon request. A 008	Continued From page 2 through the Comprehensive Assessment and Review for Long-Term Care Services (CARES) Program fulfills the requirements for a medical examination under this subsection and s. 429.07(3)(b)6. (6) Any resident accepted in a facility and placed by the Department of Children and Families must have been examined by medical personnel within 30 days before placement in the facility. The examination must include an assessment of the appropriateness of placement in a facility. The findings of this examination must be recorded on the examination form provided by the agency. The completed form must accompany the resident and be submitted to the facility owner or administrator. Additionally, in the case of a mental health resident, the Department of Children and Families must provide documentation that the individual has been assessed by a psychiatrist, clinical psychologist, clinical social worker, or nurse, or an individual who is supervised by one of these professionals, and determined to be appropriate to reside in an assisted living facility. The documentation must be in the facility within 30 days after the mental health resident has been admitted to the facility. An evaluation completed upon discharge from a state mental hospital meets the requirements of this subsection related to appropriateness for placement as a mental health resident provided that it was completed within 90 days prior to admission to the facility. The Department of Children and Families shall provide to the facility administrator any information about the resident which would help the administrator meet his or her responsibilities under subsection (1). Further, Department of Children and Families personnel shall explain to the facility operator any special	A 008

A 160 SS=D	59A-36.015(1) FAC Records - Facility The facility must maintain required records in a manner that makes such records readily available at the licensee's physical address for review by a legally authorized entity. If records are maintained in an electronic format, facility staff must be readily available to access the data and produce the requested information. For purposes of this section, "readily available" means the ability to immediately produce documents, records, or other such data, either in electronic or paper format, upon request. (1) FACILITY RECORDS. Facility records must include: (a) The facility's license displayed in a conspicuous and public place within the facility. (b) An up-to-date admission and discharge log listing the names of all residents and each resident's: 1. Date of admission, the facility or place from which the resident was admitted, and if applicable, a notation indicating that the resident was admitted with a ...; and 2. Date of discharge, reason for discharge, and identification of the facility or home address to which the resident was discharged. Readmission of a resident to the facility after discharge requires a new entry in the log. Discharge of a resident is not required if the facility is holding a bed for a resident who is out of the facility but intending to return pursuant to rule 59A-36.018, F.A.C. If the resident dies while in the care of the facility, the log must indicate the date of ...	A 160
