A 162	Continued From page 17 A review of Resident #1 1823 Health Assessment dated _____, showed that the following sections were left blank: Nursing/Treatment/_____, Service Requirement and the Special Precautions. The health assessment also showed that the resident needs assistance with self-administration of medications. A review of Resident #1 record showed there was no documentation of a sign informed consent for unlicensed staff to assist with self-administration of medications in file. There was no documentation of a completed Resident Contract in file. Review of Resident #2 1823 Health Assessment dated _____, showed that the following sections were left blank: Physical or Sensory Limitations, Nursing/Treatment/_____, Service Requirements, and the Special Precautions. The health assessment also showed that the resident needs assistance with self-administration of medications. A review of Resident #2 record showed there was no documentation of a sign informed consent for unlicensed staff to assist with self-administration of medications in file. In an interview with the Administrator on _____ at 2:42 PM, the administrator acknowledged that the record was missing the consent for assistance for self-administration of medication and that several blank sections on the resident health assessment was not completed.
