A 000	Initial Comments A biennial re-licensure survey was conducted at Calvinelle West ALF, Inc on _____ to _____. Deficiencies were identified at the time of the survey.	A 000		
A 055 SS=D	59A-36.008(6) FAC Medication - Storage and Disposal (6) MEDICATION STORAGE AND DISPOSAL. (a) In order to accommodate the needs and preferences of residents and to encourage residents to remain as independent as possible, residents may keep their medications, both prescription and over-the-counter, in their possession both on or off the facility premises. Residents may also store their medication in their rooms or apartments if either the room is kept locked when residents are absent or the medication is stored in a secure place that is out of sight of other residents. (b) Both prescription and over-the-counter medications for residents must be centrally stored if: 1. The facility administers the medication; 2. The resident requests central storage. The facility must maintain a list of all medications being stored pursuant to such a request; 3. The medication is determined and documented by the health care provider to be hazardous if kept in the personal possession of the person for whom it is prescribed; 4. The resident fails to maintain the medication in a safe manner as described in this paragraph; 5. The facility determines that, because of physical arrangements and the conditions or habits of residents, the personal possession of medication by a resident poses a safety hazard to other residents, or 6. The facility's rules and regulations require	A 055

A 055	Continued From page 1 central storage of medication and that policy has been provided to the resident before admission as required in Rule 59A-36.006, F.A.C. (c) Centrally stored medications must be: 1. Kept in a locked cabinet; locked cart; or other locked storage receptacle, room, or area at all times; 2. Located in an area free of dampness and abnormal temperature, except that a medication requiring refrigeration must be kept refrigerated. Refrigerated medications must be secured by being kept in a locked container within the refrigerator, by keeping the refrigerator locked, or by keeping the area in which the refrigerator is located locked; 3. Accessible to staff responsible for filling pill-organizers, assisting with self-administration of medication, or administering medication. Such staff must have ready access to keys or codes to the medication storage areas at all times; and, 4. Kept separately from the medications of other residents and properly closed or sealed. (d) Medication that has been discontinued but has not expired must be returned to the resident or the resident's representative, as appropriate, or may be centrally stored by the facility for future use by the resident at the resident's request. If centrally stored by the facility, the discontinued medication must be stored separately from medication in current use, and the area in which it is stored must be marked "discontinued medication." Such medication may be reused if prescribed by the resident's health care provider. (e) When a resident's stay in the facility has ended, the administrator must return all medications to the resident, the resident's family, or the resident's guardian unless otherwise prohibited by law. If, after notification and waiting at least 15 days, the resident's medications are	A 055

A 200	Continued From page 29 In a telephone interview with the Administrator on at 11:10 AM, the Administrator stated that the facility was transitioning from the portable generator to the fix generator. She stated that the natural gas pipeline had not been connected to the fix generator. She stated that the propane line connection to the portable generator has been disconnected. In an interview with the Administrator on at 11:47 AM, the administrator stated that the portable generator was disconnected from the propane tanks. There was no gasoline on-site. The administrator was unable to start the portable generator. In an telephone interview with the Administrator on at 12:46 PM, regarding the status of the facility generator, the Administrator stated that the fix generator was operational, but pending sign-off by the City of Miami. The portable generator was taken to the shop to be repair. Class II	A 200

AL243	Continued From page 30 designation may be made at the time of initial licensure or relicensure or upon request in writing by a licensee under this part and part II of chapter 408. Notification of approval or denial of such request shall be made in accordance with this part, part II of chapter 408, and applicable rules. This training must be provided by or approved by the Department of Children and Families. 59A-36.011 (9) LIMITED MENTAL HEALTH TRAINING. (a) Pursuant to section 429.075, F.S., the administrator, managers and staff, who have direct contact with mental health residents in a licensed limited mental health facility, must receive the following training: 1. A minimum of 6 hours of specialized training in working with individuals with mental health diagnoses. a. The training must be provided or approved by the Department of Children and Families and must be taken within 6 months of the facility's receiving a limited mental health license or within 6 months of employment in a limited mental health facility. b. Training received under this subparagraph may count once for 6 of the 12 hours of continuing education required for administrators and managers pursuant to section 429.52(5), F.S., and subsection (1) of this rule. 2. A minimum of 3 hours of continuing education, which may be provided by the ALF administrator, online, or through distance learning, biennially thereafter in subjects dealing with one or more of the following topics: a. Mental health diagnoses; and, b. Mental health treatment such as: (i) Mental health needs, services, behaviors and appropriate interventions;	AL243

AN277	Continued From page 33 manner. The facility must maintain documentation of the qualifications of nurses providing limited nursing services in the facility's personnel files. (e) The facility must ensure that nursing services are conducted and supervised in accordance with Chapter 464, F.S., and the prevailing standard of practice in the nursing community. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility, which is license to provide Limited Nursing Services (LNS) failed to have a contract with a nurse, who must be available to provide such services as needed to the residents. Finding include: A review of the facility posted license showed that the facility was license to provide Limited Nursing Services. A review of the facility records showed that there was no documentation of signed contract between the facility and the contract nurse. In an interview with the Administrator on ... at 1:26 PM, the Administrator stated that the contract was not on file. Class III	AN277
