A 010 SS=D	429.26() FS; 59A-36.006(4) FAC Admissions - Continued Residency 429.26 Appropriateness of placements; examinations of residents.- (1) The owner or administrator of a facility is responsible for determining the appropriateness of admission of an individual to the facility and for determining the continued appropriateness of residence of an individual in the facility. A determination must be based upon an evaluation of the strengths, needs, and preferences of the resident, a medical examination, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. The following criteria apply to the determination of appropriateness for admission and continued residency of an individual in a facility: (a) A facility may admit or retain a resident who receives a health care service or treatment that is designed to be provided within a private residential setting if all requirements for providing that service or treatment are met by the facility or a third party. (b) A facility may admit or retain a resident who requires the use of assistive devices. (c) A facility may admit or retain an individual receiving hospice services if the arrangement is agreed to by the facility and the resident, additional care is provided by a licensed hospice, and the resident is under the care of a physician	A 010

A 162	Continued From page 18 This Statute or Rule is not met as evidenced by: Based on record review and interview the facility failed to assure the health assessments of 2 out of 6 residents were accurate and completed (Residents #2 and #5). Findings as follow: A review of Resident #2 health assessment showed the section for nursing treatment and special precautions were not completed. In addition the assessment documented resident needed 24-hour supervision. A review of Resident #5 Health assessment showed it was not dated and it did not have the examiner's phone number and address. On at 11:30 Pm the Administrator stated she would request Resident #2' and #5's primary physicians to complete a new health assessment. The Administrator stated she believed the physician marked Resident #2 needed 24-hour supervision by mistake. Class III	A 162
