The findings included: 1) Staff A is a Caregiver and relief person whose hire date was _____. Staff B is a Caregiver and relief person whose hire date was _____. A review of their employee records on showed that neither of these employees had a completed and signed Attestation of Compliance with Background Screening Requirements Form found in their employee record. 2) Caregiver Staff B's last Level II Background Screening was completed on _____. Caregiver Staff B's date of hire at this facility was _____. There is no record of any employment requiring a Level II Background Screening from the date of Caregiver Staff B's last screening on _____ until her hire date on _____ to this facility. This break in employment exceeded 90 days, therefore a new screening should have been completed.	CZ816
