A 054	Continued From page 1 medication. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to maintain daily Medication Observation Records (MORs) that were free of omissions or holes for to one (Resident #7) of two sampled residents. Findings included: A record review of the MORs for Resident #7, revealed blanks with no comment code or staff initials next to multiple prescribed medications. There were no exceptions or follow up/chart codes noted. In an interview with the Administrator conducted on at 12:20pm she stated that there should be a code that corresponds with the chart code in the field if a medication is not given. She stated sometimes when the residents are not in the facility, she forgot to go ... to enter the exceptions codes. Photographic Evidence Obtained Class III		A 054
