A 081	429.52(1 & 7) FS; 59A-36.011() FAC Training - Staff In-Service 429.52(1) (1) Each new assisted living facility employee who has not previously completed core training must attend a preservice orientation provided by the facility before interacting with residents. The preservice orientation must be at least 2 hours in duration and cover topics that help the employee provide responsible care and respond to the needs of facility residents. Upon completion, the employee and the administrator of the facility must sign a statement that the employee completed the required preservice orientation. The facility must keep the signed statement in the employee's personnel record. (7) Facility staff shall participate in inservice training relevant to their job duties as specified by agency rule. Topics covered during the preservice orientation are not required to be repeated during inservice training. A single certificate of completion that covers all required inservice training topics may be issued to a participating staff member if the training is provided in a single training course. 59A-36.011 (2) STAFF PRESERVICE ORIENTATION. (a) Facilities must provide a preservice orientation of at least 2 hours to all new assisted living facility employees who have not previously	A 081

A 081	Continued From page 3 This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure one of five staff reviewed completed required and Neglect training within 30 days of employment, Staff D. Findings include: Review of facility employee files conducted on at 12:10 PM for Staff D, Patient Care Technician revealed no training for and Neglect. During an interview on at 12:20 PM, the Corporate Executive Director confirmed that Staff D did not complete the training assigned to her for and Neglect upon hire. Review of facility policy titled, "Prevention and Reporting of Resident," Policy Number 3.09, dated , revealed it stated, "To help caregivers prevent elder by recognizing behaviors, changing stressful situations, increasing the level of assistance when needed and teaching caregivers how to provide an free environment. Procedure: Screening of potential employees for a history of , neglect or mistreating residents. Training/education for employees through orientation and ongoing in services." Class III	A 081
