At least one staff member who has access to facility and resident records in case of an emergency must be in the facility at all times when residents are in the facility. Residents serving as paid or volunteer staff may not be left solely in charge of other residents while the facility administrator, manager or other staff are absent from the facility. 4. In facilities with 17 or more residents, there must be at least one staff member awake at all hours of the day and night. 5. A staff member who has completed courses in First Aid and _____ () and holds a currently valid card documenting completion of such courses must be in the facility at all times. a. Documentation of attendance at First Aid or courses pursuant to subsection 59A-36.011(5), F.A.C., satisfies this requirement. b. A nurse is considered as having met the course requirements for First Aid. An emergency medical technician or paramedic currently certified under chapter 401, part III, F.S., is considered as having met the course requirements for both First Aid and _____. 6. During periods of temporary absence of the administrator or manager of more than 48 hours when residents are on the premises, a staff member who is at least _____ must be physically present and designated in writing to be in charge of the facility. No staff member shall be in charge of a facility for a consecutive period of 21 days or more, or for a total of 60 days within a calendar year, without being an administrator or manager. 7. Staff whose duties are exclusively building or grounds maintenance, clerical, or food preparation do not count towards meeting the minimum staffing hours requirement.	A 079
