CZ830	Continued From page 1 addition, the agency may approve requests for overcapacity in excess of 15 days, which approvals may be based upon satisfactory justification and need as provided by the receiving and sending providers. (3)(a) An inactive license may be issued to a licensee subject to this section when the provider is located in a geographic area in which a state of emergency was declared by the Governor if the provider: 1. Suffered damage to its operation during the state of emergency. 2. Is currently licensed. 3. Does not have a provisional license. 4. Will be temporarily unable to provide services but is reasonably expected to resume services within 12 months. (b) An inactive license may be issued for a period not to exceed 12 months but may be renewed by the agency for up to 12 additional months upon demonstration to the agency of progress toward reopening. A request by a licensee for an inactive license or to extend the previously approved inactive period must be submitted in writing to the agency, accompanied by written justification for the inactive license, which states the beginning and ending dates of inactivity and includes a plan for the transfer of any clients to other providers and appropriate licensure fees. Upon agency approval, the licensee shall notify clients of any necessary discharge or transfer as required by authorizing statutes or applicable rules. The beginning of the inactive licensure period shall be the date the provider ceases operations. The end of the inactive period shall become the license expiration date, and all licensure fees must be current, must be paid in full, and may be prorated. Reactivation of an inactive license requires the prior approval by the agency of a	CZ830

(4) . . . Licensees providing residential or inpatient services must utilize an online database approved by the agency to report information to the agency regarding the provider's emergency status, planning, or operations. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to submit their Comprehensive Emergency Management Plan (CEMP) within 30 days of a change of ownership (CHOW). Finding Included: A record review conducted on revealed a facility's provisional license effective date of, and a letter from the county emergency management contact to the prior owner dated, that read "As, two submissions had been received and non-approved, the facility is non-compliant for the 2022-2023 plan year; therefore, pay the review fee as soon as possible, then make the requested corrections to your CEMP and submit it electronically to our office for the plan year." In an interview with the Administrator conducted on at 9:18am he stated the CEMP was not approved and he needed to make changes to it, but he would be submitting it within a week.	CZ830
