The incident involved Resident #6's unexpected . . . . at the facility. The report did not include investigation data and no follow up data was submitted to any state agency.</p> <p>On . . . . at 1:50 PM, an interview was conducted with the Administrator. She stated that the reason she did not submit the report was because she "did not think the incident was related to something the facility had done wrong and facility could have not done anything to prevent it".</p> <p>Class III</p> | A 166               |                                                                                                                          |                          |
