A 026 SS=D	59A-36.007(2) FAC Resident Care - Social & Leisure Activities (2) SOCIAL AND LEISURE ACTIVITIES. Residents shall be encouraged to participate in social, recreational, educational and other activities within the facility and the community. (a) The facility must provide an ongoing activities program. The program must provide diversified individual and group activities in keeping with each resident's needs, abilities, and interests. (b) The facility must consult with the residents in selecting, planning, and scheduling activities. The facility must demonstrate residents' participation through one or more of the following methods: resident meetings, committees, a resident council, a monitored suggestion box, group discussions, questionnaires, or any other form of communication appropriate to the size of the facility. (c) Scheduled activities must be available at least 6 days a week for a total of not less than 12 hours per week. Watching television is not an activity for the purpose of meeting the 12 hours per week of scheduled activities unless the television program is a special one-time event of special interest to residents of the facility. A facility whose residents choose to attend day programs conducted at adult day care centers, senior centers, mental health centers, or other day programs may count those attendance hours towards the required 12 hours per week of scheduled activities. An activities calendar must be posted in common areas where residents normally congregate.	A 026

A 093	Continued From page 2 and available for review at: http://www.flrules.org/Gateway/reference.asp?No=Ref-04003, and the current table of Dietary Reference Intakes established by the Food and Nutrition Board of the Institute of Medicine of the National Academies, 2019, which are incorporated by reference and available for review at: https://ods.od.nih.gov/HealthInformation/Dietary_Reference_Intakes.aspx. Therapeutic diets must meet these nutritional standards to the extent possible. (b) The residents' nutritional needs must be met by offering a variety of meals adapted to the food habits, preferences, and physical abilities of the residents, and must be prepared through the use of standardized recipes. For facilities with a licensed capacity of 16 or fewer residents, standardized recipes are not required. Unless a resident chooses to eat less, the facility must serve the standard minimum portions of food according to the Dietary Reference Intakes. (c) All regular and therapeutic menus to be used by the facility must be reviewed annually by a licensed or registered dietitian, a licensed nutritionist, or a registered dietetic technician supervised by a licensed or registered dietitian, or a licensed nutritionist to ensure the meals meet the nutritional standards established in this rule. The annual review must be documented in the facility files and include the original signature of the reviewer, registration or license number, and date reviewed. Portion sizes must be indicated on the menus or on a separate sheet. 1. Daily food servings may be divided among three or more meals per day, including snacks, as necessary to accommodate resident needs and preferences. 2. (d) Menus must be dated and planned at least 1 week in advance for both regular and therapeutic diets. Residents must be encouraged to participate in menu planning. Planned menus must be conspicuously posted or easily available to residents. Regular and therapeutic menus as served, with substitutions noted before or when the meal is served, must be kept on file in the facility for 6 months. (e) Therapeutic diets must be prepared and served as ordered by the health care provider. 1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining, or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items that enable residents to comply with the therapeutic diet must be identified on the menus developed for use in the facility. 2. The facility must document a resident's refusal to comply with a therapeutic diet and provide notification to the resident's health care provider of such refusal. (f) For facilities serving three or more meals a day, no more than 14 hours must elapse between the end of an evening meal containing a protein food and the beginning of a morning meal. Intervals between meals must be evenly distributed throughout the day with not less than 2 hours nor more than 6 hours between the end of one meal and the beginning of the next. For residents without access to kitchen facilities, snacks must be offered at least once per day. Snacks are not considered to be meals for the purposes of _____ the time between meals.	A 093
