{A 000}	Initial Comments A re-visit survey for a complaint investigation (#2023004180) in conjunction with a complaint survey and generator monitoring survey was conducted at Inspired Living at Ivy Ridge on . Deficiencies were identified at the time of survey.	{A 000}		
{A 052} SS=D	429.256() ; 59A-36.008(3) Medication - Assistance with Self-Admin 429.256 (3) Assistance with self-administration of medication includes: (a) Taking the medication, in its previously dispensed, properly labeled container, from where it is stored, and bringing it to the resident. For purposes of this paragraph, an . syringe that is prefilled with the proper dosage by a pharmacist and an that is prefilled by the manufacturer are considered medications in previously dispensed, properly labeled containers. (b) In the presence of the resident, confirming that the medication is intended for that resident, orally advising the resident of the medication name and dosage, opening the container, removing a prescribed amount of medication from the container, and closing the container. The resident may sign a written waiver to opt out of being orally advised of the medication name and dosage. The waiver must identify all of the medications intended for the resident, including names and dosages of such medications, and must immediately be updated each time the resident's medications or dosages change. (c) Placing an oral dosage in the resident's or placing the dosage in another container and helping the resident by lifting the container to his or her (d) Applying medications.	{A 052}

{A 052}	Continued From page 2 reason for administration requires judgment or discretion on the part of the unlicensed person. (5) Assistance with the self-administration of medication by an unlicensed person as described in this section shall not be considered administration as defined in s. 465.003. 59A-36.008 (3) ASSISTANCE WITH SELF-ADMINISTRATION. (a) Any unlicensed person providing assistance with self-administration of medication must be _____ or older, trained to assist with self-administered medication pursuant to the training requirements of Rule 59A-36.011, F.A.C., and must be available to assist residents with self-administered medications in accordance with procedures described in Section 429.256, F.S. and this rule. (b) In addition to the specifications of Section 429.256(3), F.S., assistance with self-administration of medication includes, orally advising the resident of the name and dosage of the medication and verbally prompting a resident to take medications as prescribed. (c) In order to facilitate assistance with self-administration, trained staff may prepare and make available such items as water, juice, cups, and spoons. Trained staff may also return unused doses to the medication container. Medication, which appears to have been contaminated, must not be returned to the container. (d) Trained staff must observe the resident take the medication. Any concerns about the resident's reaction to the medication or suspected noncompliance must be reported to the resident's health care provider and documented in the resident's record. {A 052}	Continued From page 3 medication is away from the facility and from facility staff, the following options are available to enable the resident to take medication as prescribed: 1. The health care provider may prescribe a medication schedule that coincides with the resident's presence in the facility, 2. The medication container may be given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, 3. The medication may be transferred to a pill organizer pursuant to the requirements of subsection (2), and given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, or 4. Medications may be separately prescribed and dispensed in an easier to use form, such as unit dose packaging. (f) Assistance with self-administration of medication does not include the activities detailed in Section 429.256(4), F.S. (g) As used in Section 429.256(4)(h), F.S., the terms "judgment" and "discretion" mean interpreting vital signs and evaluating or assessing a resident's condition. (h) All trained staff must adhere to the facility's _____ control policy and procedures when assisting with the self-administration of medication. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview, the facility failed to ensure assistance with self-administration of medications (meds) according to the required steps in 429.256 Florida Statutes for 2 (Resident #7 and #8) of 2 residents sampled that required assistance with	{A 052}

{A 052}	Continued From page 4 self-administration of medications. Findings Included: An observation conducted on at 11:15 a.m. revealed Staff A, medication technician, pre-pooed medication in a medication cup and not in resident's view. Staff A proceeded to store served medication in medication cart drawer to take care of another resident prior to assisting Resident # 7 with medication. An observation conducted on @ 11:15 a.m. revealed Staff A served medication from a medication cup that was prepared not in resident's view to Resident #7. Staff A crushed medication and proceeded to spoon feed medication to Resident #7. An observation conducted on @ 11:17 a.m. revealed Staff A served medication in medication cup that was prepared not in resident's view to Resident #8. Staff A crushed medication and proceeded to walk down the hall to Resident #8's room and spoon feed medication to the resident. A record review conducted on of Resident #7 and Resident #8's Health Assessment 1823 revealed both residents required assistance with self-administration of medication. An interview conducted on at 11:30 a.m. with the Health and Wellness Director, she stated the expectation was that the medication technician follow their training and in service.	{A 052}
