A 084	Continued From page 3 rule the minimum requirements of this training This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure that all staff members who assisted residents with medication self-administration, received 2 hours of continuing education after the initial training, on an annual basis, for 1 (Staff A) of 3 staff members whose records were reviewed. Findings included: A review of Staff A's record, conducted on _____, revealed only a 6 hour medication assistance training certificate dated _____ and a certificate for a 2 hour medication assistance updated training dated _____. There was no current 2 hour annual update. An interview was conducted with the Administrator at 1:15p on _____. In the interview, she stated that Staff A was a medication technician. She confirmed that the latest 2 hour update for Staff A would have been on _____, as they had just had a meeting with all staff regarding getting all their required training updated, and she would have known if there had been any recent medication trainings.
