CZ841	408.823() FS In-person Visitation (1) This section applies to _____ centers as defined in s. 393.063, hospitals licensed under chapter 395, nursing home facilities licensed under part II of chapter 400, hospice facilities licensed under part _____ of chapter 400, intermediate care facilities for the _____ licensed and certified under part VIII of chapter 400, and assisted living facilities licensed under part I of chapter 429. (2)(a) No later than 30 days after the effective date of this act, each provider shall establish visitation policies and procedures. The policies and procedures must, at a minimum, include _____ control and education policies for visitors; screening, personal protective equipment, and other _____ control protocols for visitors; permissible length of visits and numbers of visitors, which must meet or exceed the standards in ss. 400.022(1)(b) and 429.28(1)(d), as applicable; and designation of a person responsible for ensuring that staff adhere to the policies and procedures. Safety-related policies and procedures may not be more stringent than those established for the provider's staff and may not require visitors to submit proof of any _____ or immunization. The policies and procedures must allow consensual physical contact between a resident, client, or patient and the visitor. (b) A resident, client, or patient may designate a visitor who is a family member, friend, guardian, or other individual as an essential caregiver. The provider must allow in-person visitation by the essential caregiver for at least 2 hours daily in addition to any other visitation authorized by the provider. This section does not require an essential caregiver to provide necessary care to a resident, client, or patient of a provider, and	CZ841

CZ841	Continued From page 1 providers may not require an essential caregiver to provide such care. (c) The visitation policies and procedures required by this section must allow in-person visitation in all of the following circumstances, unless the resident, client, or patient objects: 1. End-of-life situations. 2. A resident, client, or patient who was living with family before being admitted to the provider's care is struggling with the change in environment and lack of in-person family support. 3. The resident, client, or patient is making one or more major medical decisions. 4. A resident, client, or patient is experiencing emotional distress or grieving the loss of a friend or family member who recently . 5. A resident, client, or patient needs cueing or encouragement to eat or drink which was previously provided by a family member or caregiver. 6. A resident, client, or patient who used to talk and interact with others is seldom speaking. 7. For hospitals, childbirth, including labor and delivery. 8. patients. (d) The policies and procedures may require a visitor to agree in writing to follow the provider's policies and procedures. A provider may suspend in-person visitation of a specific visitor if the visitor violates the provider's policies and procedures. (e) The providers shall provide their visitation policies and procedures to the agency when applying for initial licensure, licensure renewal, or change of ownership. The provider must make the visitation policies and procedures available to the agency for review at any time, upon request. (f) Within 24 hours after establishing the policies and procedures required under this section,	CZ841

CZ841	Continued From page 2 providers must make such policies and procedures easily accessible from the homepage of their websites. This Statute or Rule is not met as evidenced by: Based on interview and record review, the facility failed to establish visitation policies and procedures, applicable to all residents, that addressed the facility's control, education, and visitation guidelines. The findings include: A copy of the facility's visitation policy was reviewed on . The facility visitation policy did not address the control and education policies for visitors; screening, the use of personal protective equipment, and other control protocols for visitors; permissible length of visits and numbers of visitors, and designation of a person responsible for ensuring that staff adhere to the policies and procedures. The policy also failed to address essential caregivers. Photographic evidence obtained. An interview was conducted with the Administrator on at 3:05 pm. She acknowledged the requirements for what needed to be included in the policy. Class III	CZ841

A 078	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of testing materials satisfies the annual examination requirement. An individual with a positive test must submit a health care provider's statement that the individual does not constitute a risk of 2. If any staff member has, or is suspected of having, a communicable such individual must be immediately removed from duties until a written statement is submitted from a health care provider indicating that the individual does not constitute a risk of transmitting a communicable	A 078

A 078	Continued From page 4 (b) Staff must be qualified to perform their assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 59A-36.011, F.A.C. (d) An assisted living facility to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents. (e) For facilities with a licensed capacity of 17 or more residents, the facility must: 1. Develop a written job description for each staff position and provide a copy of the job description to each staff member; and, 2. Maintain time sheets for all staff. (f) Level 2 background screening must be conducted for staff, including staff by the facility to provide services to residents, pursuant to sections 408.809 and 429.174, F.S. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure 3 of 3 sampled staff received examinations on an annual basis (the Administrator and Employees B and C.) A 078	Continued From page 5 The findings include: Review of employee records showed the Administrator was hired, Employee B was hired, and Employee C was hired None of the files contained evidence that . . . examinations were conducted on an annual basis. On at 1:00 PM, the Administrator was asked about . . . testing. She responded that she used to have Department of Health (DOH) come to the facility every year to have the test performed, but had since been told by DOH that the tests were no longer required by them on an annual basis. The Administrator was advised of the annual requirement and she acknowledged understanding. Review of DOH's website showed there was guidance issued which included the statement that DOH did not regulate health care facilities. The website included reference to the Agency requiring annual . . . testing to be performed in Assisted Living Facilities. Photographic evidence obtained. Class III	A 078
