A 000	Initial Comments A re-licensure survey with Limited Mental Health (LMH), a complaint investigation #2023002187 and a generator monitoring were conducted at Greenleaf Assisted Living on The facility had deficiencies at the time of the survey.	A 000		
A 052 SS=D	429.256(); 59A-36.008(3) Medication - Assistance with Self-Admin 429.256 (3) Assistance with self-administration of medication includes: (a) Taking the medication, in its previously dispensed, properly labeled container, from where it is stored, and bringing it to the resident. For purposes of this paragraph, an . . . syringe that is prefilled with the proper dosage by a pharmacist and an . . . that is prefilled by the manufacturer are considered medications in previously dispensed, properly labeled containers. (b) In the presence of the resident, confirming that the medication is intended for that resident, orally advising the resident of the medication name and dosage, opening the container, removing a prescribed amount of medication from the container, and closing the container. The resident may sign a written waiver to opt out of being orally advised of the medication name and dosage. The waiver must identify all of the medications intended for the resident, including names and dosages of such medications, and must immediately be updated each time the resident's medications or dosages change. (c) Placing an oral dosage in the resident's . . . or placing the dosage in another container and helping the resident by lifting the container to his or her . . . (d) Applying . . . medications. (e) Returning the medication container to proper	A 052
