A 033 SS=D	59A-36.007(8) PHYSICAL (8) PHYSICAL Residents for whom a physician has prescribed a physical must have a written care plan for the use of the physical The care plan must be developed within 14 days of the device being prescribed, and prior to use on the resident. (a) The care plan must specify: 1. The device prescribed for use; 2. The maximum amount of time the resident is to have the applied each day; and, 3. In what manner and frequency staff will monitor, observe, and report to the physician any injuries, increase in agitation, signs and symptoms of or decline in mobility or function related to the use of the prescribed (b) Facility staff must ensure that the device is applied appropriately and safely. (c) The resident's physician must review the appropriateness of the continued use of the physical annually, and documentation of this review must be maintained in the resident's record. If the resident's ability to independently remove or avoid the device fluctuates, the device must be considered a physical and all requirements of this subsection apply. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview, the facility failed to have a consent for use of physical for three out of eight sample residents (# 1, # 2 and # 4). A 165	Continued From page 5 assurance program; adverse incidents and reporting requirements.- (1) Every facility licensed under this part may, as part of its administrative functions, voluntarily establish a risk management and quality assurance program, the purpose of which is to assess resident care practices, facility incident reports, deficiencies cited by the agency, adverse incident reports, and resident grievances and develop plans of action to correct and respond quickly to identify quality differences. (2) Every facility licensed under this part is required to maintain adverse incident reports. For purposes of this section, the term, "adverse incident" means: (a) An event over which facility personnel could exercise control rather than as a result of the resident's condition and results in: 1. ; 2. or damage; 3. Permanent ; 4. or of bones or joints; 5. Any condition that required medical attention to which the resident has not given his or her consent, including failure to honor advanced directives; 6. Any condition that requires the transfer of the resident from the facility to a unit providing more acute care due to the incident rather than the resident's condition before the incident; or 7. An event that is reported to law enforcement or its personnel for investigation; or (b) Resident elopement, if the elopement places the resident at risk of harm or injury. (3) Licensed facilities shall provide within 1 business day after the occurrence of an adverse incident, through the agency's online portal, or if the portal is offline, by electronic mail, a preliminary report to the agency on all adverse	A 165

A 165	Continued From page 6 incidents specified under this section. The report must include information regarding the identity of the affected resident, the type of adverse incident, and the status of the facility's investigation of the incident. (4) Licensed facilities shall provide within 15 days, through the agency's online portal, or if the portal is offline, by electronic mail, a full report to the agency on all adverse incidents specified in this section. The report must include the results of the facility's investigation into the adverse incident. (6) _____, neglect, or _____ must be reported to the Department of Children and Families as required under chapter 415. (7) The information reported to the agency pursuant to subsection (3) which relates to persons licensed under chapter 458, chapter 459, chapter 461, chapter 464, or chapter 465 shall be reviewed by the agency. The agency shall determine whether any of the incidents potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. The agency may investigate, as it deems appropriate, any such incident and prescribe measures that must or may be taken in response to the incident. The agency shall review each incident and determine whether it potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. (8) If the agency, through its receipt of the adverse incident reports prescribed in this part or through any investigation, has reasonable belief that conduct by a staff member or employee of a licensed facility is grounds for disciplinary action by the appropriate board, the agency shall report this fact to such regulatory board.
