| A 000                    | Initial Comments<br><br>A re-licensure survey and a generator monitoring was conducted at Carmita's III Assisted Living Facility on .The facility had deficiencies at the time of the survey.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | A 000               |                                                                                                                          |                          |
| A 052<br>SS=D            | 429.256( . ); 59A-36.008(3) Medication - Assistance with Self-Admin<br><br>429.256<br>(3) Assistance with self-administration of medication includes: (a) Taking the medication, in its previously dispensed, properly labeled container, from where it is stored, and bringing it to the resident. For purposes of this paragraph, an . syringe that is prefilled with the proper dosage by a pharmacist and an . that is prefilled by the manufacturer are considered medications in previously dispensed, properly labeled containers.<br>(b) In the presence of the resident, confirming that the medication is intended for that resident, orally advising the resident of the medication name and dosage, opening the container, removing a prescribed amount of medication from the container, and closing the container. The resident may sign a written waiver to opt out of being orally advised of the medication name and dosage. The waiver must identify all of the medications intended for the resident, including names and dosages of such medications, and must immediately be updated each time the resident's medications or dosages change.<br>(c) Placing an oral dosage in the resident's or placing the dosage in another container and helping the resident by lifting the container to his or her .<br>(d) Applying . medications.<br>(e) Returning the medication container to proper storage. | A 052               |                                                                                                                          |                          |

| A 052                                                                                  | <p>Continued From page 4</p> <p>Observations made during medication passes revealed the following:</p> <p>On _____ at 9:29 am med Tech A was seen applying a cream to resident #2's _____. She then approached resident #1, who was sitting on a sofa. While still wearing the same gloves she used to apply the cream to resident #2, she applied Kerasal nail renewal cream to both of resident #1's _____. The med tech then began to apply _____ 2% cream to resident #1's _____ but was stopped by the surveyor and asked why she did not change her gloves between resident #2 and resident #1. She said because although she did not use one, the cream used for resident #1's _____ had an applicator tool, so she did not think it was necessary to change the gloves. She then changed her gloves without washing her _____. She obtained an applicator tool and used it to apply the _____ cream to a raised red area of skin above resident #1's left upper _____. </p> <p>Additionally, the med tech did not read aloud the name and dosage of each medication prior to applying.</p> <p>Review of resident #1's and resident #2's Medication Observation Records (MORs) revealed the Kerasal was an over the counter (OTC) medication and was not listed on resident #1's MOR and the _____ cream was only listed on resident #2's MOR.</p> <p>On _____ at 9:45am, the med tech acknowledged that resident #1 did not have an order for the _____ cream and said she used resident #2's cream on resident #1's _____ because she thought it was appropriate to use it to treat the red area above the _____.</p> | A 052                                                                          |                                                                                                                          |  |                                                        |

| A 054                    | <p>Continued From page 6</p> <p>Based on observations, record review and interview, the facility failed to ensure the MOR for 1 of 2 residents was updated to reflect application of an OTC medication (#1).</p> <p>Findings:</p> <p>On at 9:29 am, med tech A was seen applying OTC Kerasal Nail Renewal cream to both of resident #1's . Review of the resident's Medication Observation Record (MOR) revealed the cream was not listed on the MOR and there was no documentation by the med tech to indicate she applied the cream. The med tech was questioned further, and she confirmed the findings and said the resident's family brought it in.</p> <p>Class III</p> | A 054               |                                                                                                                          |                          |
