A 004	Continued From page 2 of space. (Photographic Evidence Obtained) On the renewal application dated, page 7 listed a change of capacity of 114. The current capacity is 95. There was no additional documentation for the capacity increase and the change of use of space with the 5 added rooms. Furthermore, the Department of Health group inspection dated had already included the additional space with capacity of 114 on the report. On at 9:45 AM, an interview with both Administrator and co-owner confirmed the findings. In addition, they both stated that they were not aware that they had to first submit request of change of use of space and adding 5 rooms to the agency. They said they thought all they had to do was contact building the department, the permitting agency, and the fire department. Class III	A 004

A 010	Continued From page 3 resident, a medical examination, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. The following criteria apply to the determination of appropriateness for admission and continued residency of an individual in a facility: (a) A facility may admit or retain a resident who receives a health care service or treatment that is designed to be provided within a private residential setting if all requirements for providing that service or treatment are met by the facility or a third party. (b) A facility may admit or retain a resident who requires the use of assistive devices. (c) A facility may admit or retain an individual receiving hospice services if the arrangement is agreed to by the facility and the resident, additional care is provided by a licensed hospice, and the resident is under the care of a physician who agrees that the physical needs of the resident can be met at the facility. The resident must have a plan of care which delineates how the facility and the hospice will meet the scheduled and unscheduled needs of the resident, including, if applicable, staffing for nursing care. (d)1. Except for a resident who is receiving hospice services as provided in paragraph (c), a facility may not admit or retain a resident who is bedridden or who requires 24-hour nursing supervision. For purposes of this paragraph, the term "bedridden" means that a resident is confined to a bed because of the inability to: a. Move, turn, or reposition without total physical assistance; b. Transfer to a chair or wheelchair without total	A 010

AL241	Continued From page 12 4. Agreement. The mental health care provider for each mental health resident and the facility administrator or designee must prepare a written statement, within 30 days of the resident's admission to the facility or receipt of the resident's appropriate placement assessment, whichever is later. The statement: a. Provides procedures and directions for accessing emergency and after-hours care for the mental health resident. The provider must furnish the resident and the facility with the provider's 24-hour emergency crisis telephone number; b. Must be signed by the administrator or designee and the mental health care provider, or by a designated representative of a Medicaid prepaid health plan if the resident is on a plan and the plan provides behavioral health services in section 409.912, F.S.; c. , cover all mental health residents of the facility who are clients of the same provider; and, d. , be included in the Community Living Support Plan described in subparagraph (2)(c)3. 5. Missing documentation will not be the basis for administrative action against a facility if the facility can demonstrate that it has made a good faith effort to obtain the required documentation from the appropriate party. A documented request for such missing documentation made by the facility administrator within 72 hours of the resident's admission will be considered a good faith effort. The documented request must include the name, title, and phone number of the person to whom the request was made and must be kept in the resident's file. This Statute or Rule is not met as evidenced by: Based on facility documentation, resident record review and interview, the facility failed to obtain a signed copy of the Community Living Support	AL241

AL241	Continued From page 13 Plan and agreement for 1 of 4 sampled residents (#1) as required for a licensed Limited Mental Health assisted living facility. Findings: Resident #1's record review revealed an admission date of His last 1823 Health Assessment dated listed medical history of with type II, & retention, Dental issues, and The resident is independent with all his activities of daily living (ADLs), has a calorie-controlled diet and needs assistance with self-administration of medications. There was a community living support plan and agreements found in the file dated and but none of them were signed by the healthcare provider, the resident, and the case manager as required. On at 2:15 PM, an interview with the Administrator confirmed the findings. She further apologized that they were overlooked in error. Class III	AL241
