| A 000                    | Initial Comments<br><br>An unannounced Complaint (#2023004899, #2023010701, and #2023013303) and Generator Monitoring survey was conducted on and ..... at Belmont Village Ft. Lauderdale. The facility had deficiencies identified related to Complaints #2023004899 and #2023013303 at the time of the survey.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | A 000               |                                                                                                                          |                          |
| A 010                    | 429.26( ) FS; 59A-36.006(4) FAC Admissions - Continued Residency<br><br>429.26 Appropriateness of placements; examinations of residents.-<br>(1) The owner or administrator of a facility is responsible for determining the appropriateness of admission of an individual to the facility and for determining the continued appropriateness of residence of an individual in the facility. A determination must be based upon an evaluation of the strengths, needs, and preferences of the resident, a medical examination, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. The following criteria apply to the determination of appropriateness for admission and continued residency of an individual in a facility:<br>(a) A facility may admit or retain a resident who receives a health care service or treatment that is designed to be provided within a private residential setting if all requirements for providing that service or treatment are met by the facility or a third party.<br>(b) A facility may admit or retain a resident who requires the use of assistive devices.<br>(c) A facility may admit or retain an individual receiving hospice services if the arrangement is | A 010               |                                                                                                                          |                          |

| A 010                                                                    | <p>Continued From page 2</p> <p>notify the appropriate contact person in the applicable department.</p> <p>(3) A physician, physician assistant, or advanced practice registered nurse who is employed by an assisted living facility to provide an initial examination for admission purposes may not have financial interests in the facility.</p> <p>59A-36.006</p> <p>(4) CONTINUED RESIDENCY. Except as follows in paragraphs (a) through (c) of this subsection, criteria for continued residency in any licensed facility must be the same as the criteria for admission. As part of the continued residency criteria, a resident must have a -to- medical examination by a health care practitioner at least every 3 years after the initial assessment, or after a significant change, whichever comes first. A significant change is defined in Rule 59A-36.002, F.A.C. The results of the examination must be recorded on the practitioner's form or on AHCA Form 1823, which is incorporated by reference in paragraph (2)(b) of this rule and must be completed in accordance with that paragraph. Exceptions to the requirement to meet the criteria for continued residency are:</p> <p>(a) The resident may be bedridden for no more than 7 consecutive days, unless the resident is receiving licensed hospice services pursuant to Section 429.26(1)(c), F.S.</p> <p>(b) A resident requiring care of a _____ may be retained provided that:</p> <p>1. The resident contracts directly with a licensed home health agency or a nurse to provide care, or the facility has a limited nursing services license and services are provided pursuant to a plan of care issued by a health care practitioner,</p> | A 010                                                                          |                                                                                                                          |  |                                                        |

| A 166                                                                    | <p>Continued From page 7</p> <p>Nurse on duty with a dark red . . . . right . . . .<br/>Resident #1 was unable to give any details of the<br/>incident or how he sustained the . . . . injuries. All<br/>staff were interviewed during the 2:45 PM to<br/>10:45 PM shift and the staff consensus was no<br/>one claimed to have actually witnessed how<br/>Resident #1 sustained right and left . . . . injuries.<br/>The staff reported they were providing patient<br/>care in other resident's rooms and thus Resident<br/>#1 was unsupervised at the time.</p> <p>On . . . . at 9:45 AM, an interview was<br/>conducted with the Executive Director requesting<br/>to review the Adverse Incident Report which was<br/>completed regarding the incident with Resident<br/>#1. The Executive Director confirmed there was<br/>no Adverse Incident Report submitted related to<br/>Resident #1.</p> <p>On . . . . at 11:35 AM, an interview was<br/>attempted to be conducted with Resident #1 in<br/>his room. The injuries to the right side of his<br/>had healed at this point. An inquiry was made if<br/>he remembered what happened to his right . . . . to<br/>which he responded he did not remember anyone<br/>hitting him in the . . . . , stating it does not hurt now.</p> <p>On . . . . at 11:52 AM, an interview was<br/>conducted with PAL Staff E who stated she was<br/>working the 3:00 PM to 10:45 PM shift and on<br/>. . . . . at around 9:00 PM she was coming<br/>out of a resident room and heard PAL Staff D<br/>calling out saying come quickly. When she<br/>arrived, she observed Resident #1 sitting down<br/>and she saw his right . . . . was discolored and red.<br/>She further stated another staff member was with<br/>Resident #3 and he seemed to be involved in the<br/>incident. She stated she called the LPN and the<br/>LPN came and assessed the situation and put an<br/>ice pack on Resident #1's right . . . . She stated</p> | A 166                                                                          |                                                                                                                          |  |                                                        |

| A 166                                                                    | <p>Continued From page 8</p> <p>she never saw Resident #1 and Resident #3 together and both residents required a lot of redirecting. She further stated the residents are always supervised so she does not know why 5 staff persons on duty did not see anything including herself.</p> <p>In an interview conducted with PAL Staff A on ..... at 3:10 PM, she stated she saw Resident #1 and Resident #3 standing together around the time of the incident however did not witness any altercations. She stated she just asked Resident #1 to come and sit down.</p> <p>On ..... at 9:45 AM, an interview was conducted with the Memory Care Program Coordinator who stated she was informed by the Director of Resident care that the 2 residents had a conflict. She stated there were 6 staff on duty, but no one saw the incident because they were all providing care in different rooms. She further stated PAL Staff A noticed the 2 residents together but did not see any conflict among them. She stated PAL Staff B was assigned to the pod to oversee the residents, but she got called away by PAL Staff C to help her perform a task, so she left her post. The Memory Care Program Coordinator was asked why Resident #1 did not receive any medical attention or sent to the hospital post a / injury to which she stated the Physician was notified and he ordered ice and . The Memory Care Program Coordinator stated she questioned all PALs and no one saw anything. An inquiry was made what could the facility have done to prevent this incident to which she replied to increase the communication between the PALs and improved training. A further inquiry was made if she could say that Resident #3 hit Resident #1 to which she stated no one can say that, since no one saw it</p> | A 166                                                                                          |                                                                                                                          |

| A 166                    | <p>Continued From page 9</p> <p>and all staff denied witnessing the incident. The assumption amongst staff was this was a resident-to-resident altercation, however there was no evidence that there was any investigation into a potential staff to resident altercation or if the resident may have sustained a _____ and as Resident #1 suffered severe _____ injuries, he was not sent to the hospital for an evaluation for any _____ or _____ and the local police were not called to the facility as a precautionary measure.</p> <p>On _____ at 11:40 AM, a telephone interview was conducted with the family member of Resident #1 who stated the facility did not call the police and 2 days after the incident when the family visited, the resident's right _____ was closed shut, his _____ and was _____, so it was the family who called the police. The family member stated no adverse incident was filed with the state. He further stated he was frustrated because there were 6 staff on duty that night, 2 of who were in training and no one saw anything. Review of the photographs taken by the family member revealed Resident #1 with severe black, blue and red _____ to his right _____ which was closed shut and some red and blue discoloration under his left _____.</p> <p>2) Review of the record for Resident #2 revealed he was admitted to the facility on _____. Review of the Resident Health Assessment dated _____ revealed a diagnosis of _____. Resident #2 was independent with all activities of daily living and required supervision with _____ and bathing. Resident #2 resided on the Memory Care Unit. Resident #2 was admitted under hospice services on _____.</p> <p>In an interview conducted with the Director of _____</p> | A 166               |                                                                                                                          |                          |
