A 000	Initial Comments An unannounced state relicensure and emergency power plan monitoring survey was conducted on _____, at The Promised Land Alf Inc, an assisted living facility in Cape Coral, Florida. This survey was completed in conjunction with a revisit survey. The following is description of the deficiencies.	A 000		
A 078 SS=D	59A-36.010(2) FAC Staffing Standards - Staff (2) STAFF. (a) Within 30 days after beginning employment, newly hired staff must submit a written statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable _____. The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. Newly hired staff does not include an employee transferring without a break in service from one facility to another when the facility is under the same management or ownership. 1. Evidence of a negative examination must be documented on an annual basis. Documentation provided by the Florida Department of Health or a licensed health care provider certifying that there is a shortage of _____ testing materials satisfies the annual _____ examination requirement. An individual with a positive _____ test must submit a health care provider's statement that the individual does not constitute a risk of _____. 2. If any staff member has, or is suspected of having, a communicable _____, such individual must be immediately removed from duties until a written statement is submitted from a health care	A 078

A 078	Continued From page 1 provider indicating that the individual does not constitute a risk of transmitting a communicable (b) Staff must be qualified to perform their assigned duties consistent with their level of education, training, preparation, and experience. Staff providing services requiring licensing or certification must be appropriately licensed or certified. All staff must exercise their responsibilities, consistent with their qualifications, to observe residents, to document observations on the appropriate resident's record, and to report the observations to the resident's health care provider in accordance with this rule chapter. (c) All staff must comply with the training requirements of rule 59A-36.011, F.A.C. (d) An assisted living facility to provide services to residents must ensure that individuals providing services are qualified to perform their assigned duties in accordance with this rule chapter. The contract between the facility and the staffing agency or contractor must specifically describe the services the staffing agency or contractor will provide to residents. (e) For facilities with a licensed capacity of 17 or more residents, the facility must: 1. Develop a written job description for each staff position and provide a copy of the job description to each staff member; and, 2. Maintain time sheets for all staff. (f) Level 2 background screening must be conducted for staff, including staff by the facility to provide services to residents, pursuant to sections 408.809 and 429.174, F.S. This Statute or Rule is not met as evidenced by: Based on record review, and staff interview, facility's failed to ensure 1 (Administrator) out of 4 staff records reviewed submitted a written	A 078

A 078	Continued From page 2 statement from a health care provider documenting that the individual does not have any signs or symptoms of communicable . The examination performed by the health care provider must have been conducted no earlier than 6 months before submission of the statement. The findings included: 1: Record review found Administrator was hired on . Further review found a physical examination and negative statement dated . 2. Interview on at 2:45 p.m., the Owner acknowledged the administrator did not have a current written statement from a health care provider documenting that she does not have any signs or symptoms of communicable . He said the administrator recently had a baby and she was still when he hired her. He said she could not have the exam while she was expecting and she will complete it as soon as her physician allows it. Class III	A 078
