{A 025}	Continued From page 1 resident diets in accordance with Rule 59A-36.012, F.A.C. (b) Daily observation by designated staff of the activities of the resident while on the premises, and awareness of the general health, safety, and physical and emotional well-being of the resident. (c) Maintaining a general awareness of the resident's whereabouts. The resident may travel independently in the community. (d) Contacting the resident's health care provider and other appropriate party such as the resident's family, guardian, health care surrogate, or case manager if the resident exhibits a significant change. (e) Contacting the resident's family, guardian, health care surrogate, or case manager if the resident is discharged or moves out. (f) Maintaining a written record, updated as needed, of any significant changes, any illnesses that resulted in medical attention, changes in the method of medication administration, or other changes that resulted in the provision of additional services. This Statute or Rule is not met as evidenced by: Based on observation, interview, and record review the Facility failed to ensure staffing to provide daily observation of the activities of the resident while on the premises, and awareness of the general health, safety, and physical well-being of the residents for one (#1) of one sampled resident, placing all residents at risk due to unsafe smoking practices inside the facility. Findings Included: In a review of the records for Resident #1 conducted on there was a forty-five day notice issued on to Resident #1.	{A 025}
