{A 000}	Initial Comments A revisit to a complaint investigation (#2023001365, #2023002116, #2023009686, #2023009995, and #2023010725) was conducted on and at Brookdale Wekiwa Springs. The facility had uncorrected deficiencies at the time of the survey.	{A 000}		
{A 052} SS=D	429.256() ; 59A-36.008(3) Medication - Assistance with Self-Admin 429.256 (3) Assistance with self-administration of medication includes: (a) Taking the medication, in its previously dispensed, properly labeled container, from where it is stored, and bringing it to the resident. For purposes of this paragraph, an syringe that is prefilled with the proper dosage by a pharmacist and an that is prefilled by the manufacturer are considered medications in previously dispensed, properly labeled containers. (b) In the presence of the resident, confirming that the medication is intended for that resident, orally advising the resident of the medication name and dosage, opening the container, removing a prescribed amount of medication from the container, and closing the container. The resident may sign a written waiver to opt out of being orally advised of the medication name and dosage. The waiver must identify all of the medications intended for the resident, including names and dosages of such medications, and must immediately be updated each time the resident's medications or dosages change. (c) Placing an oral dosage in the resident's or placing the dosage in another container and helping the resident by lifting the container to his or her (d) Applying medications.	{A 052}

{A 052}	Continued From page 4 procedures (#12 and #13). Findings: Observations made during medication passes revealed the following: On _____ at 12 pm, med tech H popped resident #13's pills at the cart then placed the package _____ in the cart. The med tech did not take the package to where the resident was and pop them out in the resident's presence, as required. On _____ at 4 pm, med tech H popped resident #12's pill at the cart then left the package on top of the cart. The med tech did not take the package to where the resident was, say the name and dosage of the medication aloud, then pop the medication in the resident's presence. Immediately following the 4 pm med pass, med tech H confirmed that he did not complete all the required steps while assisting the residents with medications. Class III		{A 052}
