A 030	Continued From page 9 that day. Staff B called 911 and followed their instructions. Police and rescue came, and the resident was pronounced He contacted Resident #1's daughter six hours later, because there was a lot of people in the facility. He called her after the funeral home removed the body from the facility, the police left, and he relaxed.' A review of Resident #1's record revealed she was admitted to the facility on The health assessment dated revealed a medical history and diagnoses of nodule, gait instability. The health assessment also showed that she was independent with all activities of daily living. A review of Resident #1's progress notes dated revealed the resident felt weak in the morning. The resident took her medications, did not eat breakfast, and wanted to rest in bed. At 10:00 AM the resident called her caregiver to assist her to get off the floor. The resident sat in her bed and went to the refrigerator to drink soda. The staff told her she needed to contact her physician to inform them about how she felt. The resident went to her room to rest. At 2:20 PM the Staff asked the resident how she felt and if she contacted her physician. The Staff asked the resident to eat something. The resident called her clinic and let them know what happened to her today and that she wanted to be seen by her doctor at the facility. The resident walked through the hallway with her walker and asked the staff to bring a snack to her. The resident was found lying on the floor in her room when the Staff arrived. The resident was not breathing and without The staff called 911, who determined that the resident	A 030

A 165	Continued From page 21 quickly to identify quality differences. (2) Every facility licensed under this part is required to maintain adverse incident reports. For purposes of this section, the term, "adverse incident" means: (a) An event over which facility personnel could exercise control rather than as a result of the resident's condition and results in: 1. ; 2. or damage; 3. Permanent ; 4. or of bones or joints; 5. Any condition that required medical attention to which the resident has not given his or her consent, including failure to honor advanced directives; 6. Any condition that requires the transfer of the resident from the facility to a unit providing more acute care due to the incident rather than the resident's condition before the incident; or 7. An event that is reported to law enforcement or its personnel for investigation; or (b) Resident elopement, if the elopement places the resident at risk of harm or injury. (3) Licensed facilities shall provide within 1 business day after the occurrence of an adverse incident, through the agency's online portal, or if the portal is offline, by electronic mail, a preliminary report to the agency on all adverse incidents specified under this section. The report must include information regarding the identity of the affected resident, the type of adverse incident, and the status of the facility's investigation of the incident. (4) Licensed facilities shall provide within 15 days, through the agency's online portal, or if the portal is offline, by electronic mail, a full report to the agency on all adverse incidents specified in this section. The report must include the results	A 165

A 165	Continued From page 22 of the facility's investigation into the adverse incident. (6) _____, neglect, or _____ must be reported to the Department of Children and Families as required under chapter 415. (7) The information reported to the agency pursuant to subsection (3) which relates to persons licensed under chapter 458, chapter 459, chapter 461, chapter 464, or chapter 465 shall be reviewed by the agency. The agency shall determine whether any of the incidents potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. The agency may investigate, as it deems appropriate, any such incident and prescribe measures that must or may be taken in response to the incident. The agency shall review each incident and determine whether it potentially involved conduct by a health care professional who is subject to disciplinary action, in which case the provisions of s. 456.073 apply. (8) If the agency, through its receipt of the adverse incident reports prescribed in this part or through any investigation, has reasonable belief that conduct by a staff member or employee of a licensed facility is grounds for disciplinary action by the appropriate board, the agency shall report this fact to such regulatory board. (9) The adverse incident reports and preliminary adverse incident reports required under this section are confidential as provided by law and are not discoverable or admissible in any civil or administrative action, except in disciplinary proceedings by the agency or appropriate regulatory board. (10) The agency may adopt rules necessary to administer this section.	A 165
