A 052	Continued From page 2 (5) Assistance with the self-administration of medication by an unlicensed person as described in this section shall not be considered administration as defined in s. 465.003. 59A-36.008 (3) ASSISTANCE WITH SELF-ADMINISTRATION. (a) Any unlicensed person providing assistance with self-administration of medication must be _____ or older, trained to assist with self-administered medication pursuant to the training requirements of Rule 59A-36.011, F.A.C., and must be available to assist residents with self-administered medications in accordance with procedures described in Section 429.256, F.S. and this rule. (b) In addition to the specifications of Section 429.256(3), F.S., assistance with self-administration of medication includes, orally advising the resident of the name and dosage of the medication and verbally prompting a resident to take medications as prescribed. (c) In order to facilitate assistance with self-administration, trained staff may prepare and make available such items as water, juice, cups, and spoons. Trained staff may also return unused doses to the medication container. Medication, which appears to have been contaminated, must not be returned to the container. (d) Trained staff must observe the resident take the medication. Any concerns about the resident's reaction to the medication or suspected noncompliance must be reported to the resident's health care provider and documented in the resident's record. (e) When a resident who receives assistance with medication is away from the facility and from facility staff, the following options are available to	A 052

A 052	Continued From page 3 enable the resident to take medication as prescribed: 1. The health care provider may prescribe a medication schedule that coincides with the resident's presence in the facility, 2. The medication container may be given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, 3. The medication may be transferred to a pill organizer pursuant to the requirements of subsection (2), and given to the resident, a friend, or family member upon leaving the facility, with this fact noted in the resident's medication record, or 4. Medications may be separately prescribed and dispensed in an easier to use form, such as unit dose packaging. (f) Assistance with self-administration of medication does not include the activities detailed in Section 429.256(4), F.S. (g) As used in Section 429.256(4)(h), F.S., the terms "judgment" and "discretion" mean interpreting vital signs and evaluating or assessing a resident's condition. (h) All trained staff must adhere to the facility's _____ control policy and procedures when assisting with the self-administration of medication. This Statute or Rule is not met as evidenced by: Based on observation, record review and interview the facility failed to read medications to 4 (Resident #2, #4, #6, and #8,) of 5 residents sampled and failed to ensure residents consumed medications for one (Resident # 9) of 5 resident sampled. Findings included:	A 052

A 052	Continued From page 4 A record review conducted on 11/15/2023 of the medication observation record (MOR) revealed Staff C medication technician had been updated the medication observation record prior to assisting Residents #2, #4, #6 and #8 with the self-administration of medication. An observation of conducted on at 11:38 a.m. Staff C, medication technician was observed assisting Residents # 2, #4, #6, and #8 with self-administration of medication. Staff C did not verbally inform the residents of their medications. An observation conducted on at 1:35 p.m. Resident #9 was observed talking and giving the front desk clerk a medication cup with what appeared to be pudding. The front desk clerk was overheard encouraging resident to consume the contents of the medication cup. During an interview with Resident #9 conducted on at 1:35 p.m. Resident #9 stated that it was her medication in the medication cup that she showed the front desk clerk. An observation conducted on at 1:37 p.m. the Administrator was observed to ask Resident #9 what she had and encouraged to consume contents. An interview conducted on at 1:45 p.m. with the Administrator stated it is unacceptable for medication technician to not ensure Resident #9 consumed her medication and not read medications out loud to Residents #2, #4, #6 and #8.
