| A 000                    | Initial Comments<br><br>A complaint investigation (complaint number:<br>2023016982) and a generator monitoring were<br>conducted at Spring Haven Senior Living on<br>..... Deficiencies were identified at the<br>time of survey.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | A 000               |                                                                                                                          |                          |
| A 010<br>SS=D            | 429.26( ) FS; 59A-36.006(4) FAC Admissions -<br>Continued Residency<br><br>429.26 Appropriateness of placements;<br>examinations of residents.-<br>(1) The owner or administrator of a facility is<br>responsible for determining the appropriateness<br>of admission of an individual to the facility and for<br>determining the continued appropriateness of<br>residence of an individual in the facility. A<br>determination must be based upon an evaluation<br>of the strengths, needs, and preferences of the<br>resident, a medical examination, the care and<br>services offered or arranged for by the facility in<br>accordance with facility policy, and any limitations<br>in law or rule related to admission criteria or<br>continued residency for the type of license held<br>by the facility under this part. The following<br>criteria apply to the determination of<br>appropriateness for admission and continued<br>residency of an individual in a facility:<br>(a) A facility may admit or retain a resident who<br>receives a health care service or treatment that is<br>designed to be provided within a private<br>residential setting if all requirements for providing<br>that service or treatment are met by the facility or<br>a third party.<br>(b) A facility may admit or retain a resident who<br>requires the use of assistive devices.<br>(c) A facility may admit or retain an individual<br>receiving hospice services if the arrangement is<br>agreed to by the facility and the resident,<br>additional care is provided by a licensed hospice, | A 010               |                                                                                                                          |                          |

| A 010                                                                 | <p>Continued From page 1</p> <p>and the resident is under the care of a physician who agrees that the physical needs of the resident can be met at the facility. The resident must have a plan of care which delineates how the facility and the hospice will meet the scheduled and unscheduled needs of the resident, including, if applicable, staffing for nursing care.</p> <p>(d)1. Except for a resident who is receiving hospice services as provided in paragraph (c), a facility may not admit or retain a resident who is bedridden or who requires 24-hour nursing supervision. For purposes of this paragraph, the term "bedridden" means that a resident is confined to a bed because of the inability to:</p> <ul style="list-style-type: none"> <li>a. Move, turn, or reposition without total physical assistance;</li> <li>b. Transfer to a chair or wheelchair without total physical assistance; or</li> <li>c. Sit safely in a chair or wheelchair without personal assistance or a physical _____.</li> </ul> <p>2. A resident may continue to reside in a facility if, during residency, he or she is bedridden for no more than 7 consecutive days.</p> <p>3. If a facility is licensed to provide extended congregate care, a resident may continue to reside in a facility if, during residency, he or she is bedridden for no more than 14 consecutive days.</p> <p>(2) A resident may not be moved from one facility to another without consultation with and agreement from the resident or, if applicable, the resident's representative or designee or the resident's family, guardian, surrogate, or attorney in fact. In the case of a resident who has been placed by the department or the Department of Children and Families, the administrator must notify the appropriate contact person in the applicable department.</p> | A 010                                                                                                   |                                                                                                                          |  |                                                                    |

Except as follows in paragraphs (a) through (c) of this subsection, criteria for continued residency in any licensed facility must be the same as the criteria for admission. As part of the continued residency criteria, a resident must have a -to- medical examination by a health care practitioner at least every 3 years after the initial assessment, or after a significant change, whichever comes first. A significant change is defined in Rule 59A-36.002, F.A.C. The results of the examination must be recorded on the practitioner's form or on AHCA Form 1823, which is incorporated by reference in paragraph (2)(b) of this rule and must be completed in accordance with that paragraph. Exceptions to the requirement to meet the criteria for continued residency are:</p> <p>(a) The resident may be bedridden for no more than 7 consecutive days, unless the resident is receiving licensed hospice services pursuant to Section 429.26(1)(c), F.S.</p> <p>(b) A resident requiring care of a _____ may be retained provided that:</p> <ol style="list-style-type: none"> <li>1. The resident contracts directly with a licensed home health agency or a nurse to provide care, or the facility has a limited nursing services license and services are provided pursuant to a plan of care issued by a health care practitioner,</li> <li>2. The condition is documented in the resident's record; and,</li> </ol> | A 010                                                                                                   |                                                                                                                          |                                                                    |

Agency for Health Care Administration

Resident #1 sustained . . . . bone</p> <p>During observations in the Memory Care Unit, conducted on . . . . . from 02:04pm through 02:46pm, Staff C was observed pushing Resident #1 in a wheelchair from the activity room to the resident's room down the hall. There were no footrests attached to the wheelchair. Staff C kept telling Resident #1 to hold your . . . up. Residents #2, #5, #6, and #7's wheelchairs were observed and none of the wheelchairs had footrests attached/secured to their wheelchairs. Resident #1's footrests (left and right) were found inside the resident's television stand. Resident #2 did not have footrests in the resident's room. Resident #5's footrests (left and right) were in the resident's room on top of the resident's walker. Resident #6's left footrest was found on the floor by the resident's bed and did not have a right footrest. Resident #7 did not have footrests in the resident's room. At 02:46pm, a third-party home health occupational . . . . . was observed pushing Resident #2 in her wheelchair. There were no footrests attached/secured on the resident's wheelchair. The third-party home health occupational . . . . . told Resident #2 to lift her . . . . . Resident #2 told the third-party home health occupational . . . . . that she was sleepy.</p> <p>During an interview with the Memory Care Director conducted on . . . . . at 02:25pm, the Memory Care Director stated that she did not know the reason that Resident #7 did not have footrests. The Memory Care Director stated that Resident #5 did not have a right footrest. The Memory Care Director stated that Resident #2's wheelchair was donated without footrests.</p> <p>A record review for Resident #1, conducted on</p> | A 034                                                                          |                                                                                                                          |  |                                                                    |

| A 034                    | <p>Continued From page 8</p> <p>During an interview with the Administrator, conducted on ..... at 02:35pm, the Administrator stated that safe transport of a resident in a wheelchair included that the residents do not lean forward, push the wheelchair slowly, and ensure footrests were secured for safety. The Administrator stated that footrests should be used when pushing residents in wheelchairs. The Administrator agreed that employee records for the Wellness Director, the Memory Care Director, former Staff A, and Staff B did not include training for assistive devices according to the facility's assistive devices policy and procedures.</p> <p>Class III</p> | A 034               |                                                                                                                          |                          |
