CZ841	408.823() FS In-person Visitation (1) This section applies to _____ centers as defined in s. 393.063, hospitals licensed under chapter 395, nursing home facilities licensed under part II of chapter 400, hospice facilities licensed under part _____ of chapter 400, intermediate care facilities for the _____ licensed and certified under part VIII of chapter 400, and assisted living facilities licensed under part I of chapter 429. (2)(a) No later than 30 days after the effective date of this act, each provider shall establish visitation policies and procedures. The policies and procedures must, at a minimum, include _____ control and education policies for visitors; screening, personal protective equipment, and other _____ control protocols for visitors; permissible length of visits and numbers of visitors, which must meet or exceed the standards in ss. 400.022(1)(b) and 429.28(1)(d), as applicable; and designation of a person responsible for ensuring that staff adhere to the policies and procedures. Safety-related policies and procedures may not be more stringent than those established for the provider's staff and may not require visitors to submit proof of any _____ or immunization. The policies and procedures must allow consensual physical contact between a resident, client, or patient and the visitor. (b) A resident, client, or patient may designate a visitor who is a family member, friend, guardian, or other individual as an essential caregiver. The provider must allow in-person visitation by the essential caregiver for at least 2 hours daily in addition to any other visitation authorized by the provider. This section does not require an essential caregiver to provide necessary care to a resident, client, or patient of a provider, and	CZ841

The provider had deficiencies at the time of the visit. 429.26() FS; 59A-36.006(4) FAC Admissions - Continued Residency 429.26 Appropriateness of placements; examinations of residents.- (1) The owner or administrator of a facility is responsible for determining the appropriateness of admission of an individual to the facility and for determining the continued appropriateness of residence of an individual in the facility. A determination must be based upon an evaluation of the strengths, needs, and preferences of the resident, a medical examination, the care and services offered or arranged for by the facility in accordance with facility policy, and any limitations in law or rule related to admission criteria or continued residency for the type of license held by the facility under this part. The following criteria apply to the determination of appropriateness for admission and continued residency of an individual in a facility: (a) A facility may admit or retain a resident who receives a health care service or treatment that is designed to be provided within a private residential setting if all requirements for providing that service or treatment are met by the facility or a third party. (b) A facility may admit or retain a resident who requires the use of assistive devices. (c) A facility may admit or retain an individual receiving hospice services if the arrangement is agreed to by the facility and the resident,	A 010

A 010	Continued From page 4 additional care is provided by a licensed hospice, and the resident is under the care of a physician who agrees that the physical needs of the resident can be met at the facility. The resident must have a plan of care which delineates how the facility and the hospice will meet the scheduled and unscheduled needs of the resident, including, if applicable, staffing for nursing care. (d)1. Except for a resident who is receiving hospice services as provided in paragraph (c), a facility may not admit or retain a resident who is bedridden or who requires 24-hour nursing supervision. For purposes of this paragraph, the term "bedridden" means that a resident is confined to a bed because of the inability to: a. Move, turn, or reposition without total physical assistance; b. Transfer to a chair or wheelchair without total physical assistance; or c. Sit safely in a chair or wheelchair without personal assistance or a physical 2. A resident may continue to reside in a facility if, during residency, he or she is bedridden for no more than 7 consecutive days. 3. If a facility is licensed to provide extended congregate care, a resident may continue to reside in a facility if, during residency, he or she is bedridden for no more than 14 consecutive days. (2) A resident may not be moved from one facility to another without consultation with and agreement from the resident or, if applicable, the resident's representative or designee or the resident's family, guardian, surrogate, or attorney in fact. In the case of a resident who has been placed by the department or the Department of Children and Families, the administrator must notify the appropriate contact person in the	A 010

(3) A physician, physician assistant, or advanced practice registered nurse who is employed by an assisted living facility to provide an initial examination for admission purposes may not have financial interests in the facility. 59A-36.006 (4) CONTINUED RESIDENCY. Except as follows in paragraphs (a) through (c) of this subsection, criteria for continued residency in any licensed facility must be the same as the criteria for admission. As part of the continued residency criteria, a resident must have a _____-to-_____ medical examination by a health care practitioner at least every 3 years after the initial assessment, or after a significant change, whichever comes first. A significant change is defined in Rule 59A-36.002, F.A.C. The results of the examination must be recorded on the practitioner's form or on AHCA Form 1823, which is incorporated by reference in paragraph (2)(b) of this rule and must be completed in accordance with that paragraph. Exceptions to the requirement to meet the criteria for continued residency are: (a) The resident may be bedridden for no more than 7 consecutive days, unless the resident is receiving licensed hospice services pursuant to Section 429.26(1)(c), F.S. (b) A resident requiring care of a _____ may be retained provided that: 1. The resident contracts directly with a licensed home health agency or a nurse to provide care, or the facility has a limited nursing services license and services are provided pursuant to a plan of care issued by a health care practitioner, 2. The condition is documented in the resident's	A 010
