{A 160}	Continued From page 3 On at 10:20am the Business Office Manager stated the inspections have been this way since I've started. I've reached out to the Administrator to locate any prior results. On at 11:55am The Dining Service Manager stated we're unsatisfactory until we get the leak repaired. The leak is in the walk-in freezer. I believe the food inspector came before to do the reinspection. We've had 7 or 8 people come out who've stated they fixed it or state they can't reach it. The Maintenance Director should have the documentation for the repairs. On at 12:03pm The Health Department Inspector stated during a phone call that she did not return on for the re-inspection. I pushed it due to the extent of the repairs. It has been unsatisfactory for at least a year. There are so many repairs to be done. On at 12:23pm The Maintenance Director stated I've been here 3 months and I've been trying to get things resolved. I will print out the work orders to show what repairs have been done.
