A 030	Continued From page 11 helping the resident get off the floor. On at 3:42 pm, the facility's assistant manager said resident #1's family member called her on and said the resident the previous night and no one responded to his pendant call, so the resident crawled to his phone and called 911. The assistant manager said the pendants had been "up and down" for approximately one week prior to the resident's and she thought it may have been due to construction being done on the facility. The assistant manager said that after the family member's call she checked on the resident, who was frustrated that the pendant had not worked. The assistant manager said she then made an announcement over the public address system (PA system) that the pendants were not working and instructed the residents to call the facility number, which she said was posted on all resident refrigerators. The assistant manager said she did not document the family member's and resident's complaints about the pendant and that she only emailed then verbally informed the facility's administrator of the complaints. On at 4:08 pm, nurse A said that when she documented the resident could not find his pendant after falling on she thinks she did so because the med tech who was present that night told her this. Nurse A said she was not present at the time. A review of a incident report revealed med tech E documented the resident said he spilled olive juice on his kitchen floor and slipped on it and The resident said he then pressed his pendant so someone could help him but quickly realized it was not working. He then dragged himself to his living room and tried to find	A 030

A 030	Continued From page 12 his phone but was unable to. He then dragged himself from the living room to his bedroom where he called 911 for help then called downstairs to the facility staff. The resident said he'd been on the floor for over 1.5 hours trying to get help. The report documented the resident was not taken to the hospital. On at 4:15 pm, nurse A said she was mistaken when she documented in the record that the resident could not find his pendant after falling. The facility's grievance policy documented, in part, that all grievances will be resolved within 72 hours unless they are related to a major incident (i.e. robbery or hazardous situations). A review of the grievance log revealed none were related to resident #1's family member's complaint about the pendant call. On at 3:58 pm, the administrator said the resident's grievance was not documented because the resident's family did not tell her directly. When asked if she followed up with the resident's family, she replied that she did not because "that was a [assistant manager] thing". Class III	A 030
