AE210	Continued From page 1 and supportive services in an ECC facility. This Statute or Rule is not met as evidenced by: Based on interview and record review, the facility failed to ensure that the Administrator completed a minimum of four hours of continuing education every two years related to Extended Congregate Care (ECC.) Findings include: Review of the facility's ECC records did not document that the Administrator completed the required continuing education for the ECC license designation. During an interview on _____ at 12:00 PM, the Director of Nursing stated there was no designated supervisor currently employed by the facility with the required training for the ECC license designation. The Director of Nursing also confirmed that the Administrator does not have the required four hours of continuing ECC education. Class III	AE210
