An appropriate placement assessment provided by the resident's mental health care provider within 30 days of admission to the facility that the resident has been assessed and found appropriate for residence in an assisted living facility. Such assessment must be conducted by a psychiatrist, clinical psychologist, clinical social worker, _____ nurse, or an individual supervised by one of these professionals. a. Any of the following documentation that contains the name of the resident and the name, signature, date, and license number, if applicable, of the person making the assessment, meets this requirement: (I) Completed Alternate Care Certification for _____ () form, CF-ES Form 1006, (II) Discharge Statement from a state mental hospital completed no more than 90 days before admission to the assisted living facility provided it contains a statement that the individual is appropriate to live in an assisted living facility, or (III) Other signed statement that the resident has been assessed and found appropriate for residency in an assisted living facility. b. A mental health resident returning to a facility from treatment in a hospital or crisis stabilization unit will not be considered a new admission and will not require a new assessment. However, a break in a resident's residency that requires the facility to execute a new resident contract or admission agreement will be considered a new admission and the resident's mental health care	AL241

AL241	Continued From page 17 can demonstrate that it has made a good faith effort to obtain the required documentation from the appropriate party. A documented request for such missing documentation made by the facility administrator within 72 hours of the resident's admission will be considered a good faith effort. The documented request must include the name, title, and phone number of the person to whom the request was made and must be kept in the resident's file. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure that 10 of 10 sampled residents' community living support plan was updated at least annually. (Residents #1, 2, 3, 4, 5, 6, 7, 8, 9, and 10) The findings include: On _____, a record review was conducted of Residents #1, #2, #3, #4, #5, #6, #7, #8, #9 and #10, all of who receive limited mental health services. The review indicated the last time all community living support plans were updated was on _____. On _____ at approximately 2:30 PM, an interview was conducted with the Administrator and the Office Manager, who checked all ten residential files and confirmed that the community living support plans had not been updated since 2022. On _____ at approximately 2:55 PM, an interview was conducted with Adult Case Manager, who reported that she had started this position _____. She stated that that the mental health facility was without an adult case manager for about a year but had an adult case	AL241
