CZ830 SS=F	408.821 FS Emergency Management Planning 408.821 Emergency management planning; emergency operations; inactive license.- (1) A licensee required by authorizing statutes and agency rule to have a comprehensive emergency management plan must designate a safety liaison to serve as the primary contact for emergency operations. Such licensee shall submit its comprehensive emergency management plan to the local emergency management agency, county health department, or Department of Health as follows: (a) Submit the plan within 30 days after initial licensure and change of ownership, and notify the agency within 30 days after submission of the plan. (b) Submit the plan annually and within 30 days after any significant modification, as defined by agency rule, to a previously approved plan. (c) Submit necessary plan revisions within 30 days after notification that plan revisions are required. (d) Notify the agency within 30 days after approval of its plan by the local emergency management agency, county health department, or Department of Health. (2) An entity subject to this part may temporarily exceed its licensed capacity to act as a receiving provider in accordance with an approved comprehensive emergency management plan for up to 15 days. While in an overcapacity status, each provider must furnish or arrange for appropriate care and services to all clients. In addition, the agency may approve requests for overcapacity in excess of 15 days, which approvals may be based upon satisfactory justification and need as provided by the receiving and sending providers. (3)(a) An inactive license may be issued to a licensee subject to this section when the provider	CZ830

CZ830	Continued From page 1 is located in a geographic area in which a state of emergency was declared by the Governor if the provider: 1. Suffered damage to its operation during the state of emergency. 2. Is currently licensed. 3. Does not have a provisional license. 4. Will be temporarily unable to provide services but is reasonably expected to resume services within 12 months. (b) An inactive license may be issued for a period not to exceed 12 months but may be renewed by the agency for up to 12 additional months upon demonstration to the agency of progress toward reopening. A request by a licensee for an inactive license or to extend the previously approved inactive period must be submitted in writing to the agency, accompanied by written justification for the inactive license, which states the beginning and ending dates of inactivity and includes a plan for the transfer of any clients to other providers and appropriate licensure fees. Upon agency approval, the licensee shall notify clients of any necessary discharge or transfer as required by authorizing statutes or applicable rules. The beginning of the inactive licensure period shall be the date the provider ceases operations. The end of the inactive period shall become the license expiration date, and all licensure fees must be current, must be paid in full, and may be prorated. Reactivation of an inactive license requires the prior approval by the agency of a renewal application, including payment of licensure fees and agency inspections indicating compliance with all requirements of this part and applicable rules and statutes. (4) . . . Licensees providing residential or inpatient services must utilize an online database	CZ830

CZ830	Continued From page 2 approved by the agency to report information to the agency regarding the provider's emergency status, planning, or operations. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure the Comprehensive Emergency Management Plan (CEMP), applicable to all residents in the event of an emergency, was submitted for approval on an annual basis. The findings include: The facility's CEMP was requested on A binder was produced with a letter dated indicating the facility's CEMP was approved. No subsequent approval letters were found within the binder. During an interview at 4:47pm on, the Administrator stated the CEMP had not been resubmitted since they were waiting on additional components before resubmission. The annual requirement was reviewed and she expressed understanding. Class III	CZ830		
A 000	Initial Comments An abbreviated relicensure survey with LNS monitoring, in conjunction with a complaint survey (complaint #2022006552 and 2023016853), was conducted at Brookdale Southpoint on There were deficiencies were identified at the time of the survey.	A 000

All residents assessed at risk for elopement or with any history of elopement must be identified so staff can be alerted to their needs for support and supervision. All residents must be assessed for risk of elopement by a health care provider or a mental health care provider within 30 calendar days of being admitted to a facility. If the resident has had a health assessment performed prior to admission pursuant to paragraph 59A-36.006(2) (a), F.A.C., this requirement is satisfied. A resident placed in a facility on a temporary emergency basis by the Department of Children and Families pursuant to Section 415.105 or 415.1051, F.S., is exempt from this requirement for up to 30 days. 1. As part of its resident elopement response policies and procedures, the facility must make, at a minimum, a daily effort to determine that at risk residents have identification on their persons that includes their name and the facility's name, address, and telephone number. Staff trained pursuant to paragraph 59A-36.011(10)(a) or (c), F.A.C., must be generally aware of the location of all residents assessed at high risk for elopement at all times. 2. The facility must have a photo identification of at risk residents on file that is accessible to all facility staff and law enforcement as necessary. The facility's file must contain the resident's photo identification upon admission or upon being assessed at risk for elopement subsequent to admission. The photo identification may be provided by the facility, the resident, or the	A 032 A 032

A 052	Continued From page 9 medication. This Statute or Rule is not met as evidenced by: Based on observation, interview, and record review, the facility failed to accurately provide assistance with self-administration of medication by leaving medications at the bedside of 2 of 5 residents reviewed for medication practices (Residents 3 and 4) The findings include: On at 10:03 am, medications were observed in a medications cup on top of the TV table in a room shared by Residents 3 and 4. Photographic evidence obtained. In an interview on at 10:05 am, Resident 4 mentioned that the staff normally bring the medication too early, around 7:15 am. She said, "Normally at that time we are still preparing for breakfast and we don't get the medications until after breakfast" She stated she does not like the medications that early because they are normally due at 9:00 am. She added that they would take the medication observed in the room "before lunch." Review of the Resident Health Assessment for Assisted Living Facilities (AHCA form 1823) for Residents 3 and 4 revealed that both residents required assistance with self-administration of medication and were not assessed to be able to self-administer medications. Further review of the Medication Observation Record for Resident 3 and 4 revealed that medications that were due at 9:00 am were checked as given. Photographic evidence obtained.	A 052
