A 000	Initial Comments An unannounced Relicensure and Generator Monitoring survey was conducted on _____ at Starwell Living LLC. The facility had deficiencies identified related to the Relicensure at the time of the survey.	A 000		
A 052	429.256(); 59A-36.008(3) Medication - Assistance with Self-Admin 429.256 (3) Assistance with self-administration of medication includes: (a) Taking the medication, in its previously dispensed, properly labeled container, from where it is stored, and bringing it to the resident. For purposes of this paragraph, an _____ syringe that is prefilled with the proper dosage by a pharmacist and an _____ that is prefilled by the manufacturer are considered medications in previously dispensed, properly labeled containers. (b) In the presence of the resident, confirming that the medication is intended for that resident, orally advising the resident of the medication name and dosage, opening the container, removing a prescribed amount of medication from the container, and closing the container. The resident may sign a written waiver to opt out of being orally advised of the medication name and dosage. The waiver must identify all of the medications intended for the resident, including names and dosages of such medications, and must immediately be updated each time the resident's medications or dosages change. (c) Placing an oral dosage in the resident's _____ or placing the dosage in another container and helping the resident by lifting the container to his or her _____ (d) Applying _____ medications. (e) Returning the medication container to proper _____	A 052

Will be temporarily unable to provide services but is reasonably expected to resume services within 12 months. (b) An inactive license may be issued for a period not to exceed 12 months but may be renewed by the agency for up to 12 additional months upon demonstration to the agency of progress toward reopening. A request by a licensee for an inactive license or to extend the previously approved inactive period must be submitted in writing to the agency, accompanied by written justification for the inactive license, which states the beginning and ending dates of inactivity and includes a plan for the transfer of any clients to other providers and appropriate licensure fees. Upon agency approval, the licensee shall notify clients of any necessary discharge or transfer as required by authorizing statutes or applicable rules. The beginning of the inactive licensure period shall be the date the provider ceases operations. The end of the inactive period shall become the license expiration date, and all licensure fees must be current, must be paid in full, and may be prorated. Reactivation of an inactive license requires the prior approval by the agency of a renewal application, including payment of licensure fees and agency inspections indicating compliance with all requirements of this part and applicable rules and statutes. (4) . . . Licensees providing residential or inpatient services must utilize an online database	CZ830

CZ830	Continued From page 2 approved by the agency to report information to the agency regarding the provider's emergency status, planning, or operations. This Statute or Rule is not met as evidenced by: Based on observations, interview and record review, the facility failed to submit the Comprehensive Emergency Management Plan (CEMP) to the local emergency management agency annually. The findings included: On the Administrator provided this surveyor with the Initial Review letter dated and the letter revealed the CEMP cannot be approved in its current state. On at 3:20PM, an interview was conducted with the Administrator, and she revealed that she has submitted the CEMP several times and each time it's been rejected. On this surveyor emailed the CEMP office to verify the status of the CEMP. The email revealed that this facility developed a draft on but never submitted it. During an interview with the Administrator on at 3:30PM she acknowledged the findings, and no additional information was provided. Class III	CZ830
