CZ830	408.821 FS Emergency Management Planning 408.821 Emergency management planning; emergency operations; inactive license.- (1) A licensee required by authorizing statutes and agency rule to have a comprehensive emergency management plan must designate a safety liaison to serve as the primary contact for emergency operations. Such licensee shall submit its comprehensive emergency management plan to the local emergency management agency, county health department, or Department of Health as follows: (a) Submit the plan within 30 days after initial licensure and change of ownership, and notify the agency within 30 days after submission of the plan. (b) Submit the plan annually and within 30 days after any significant modification, as defined by agency rule, to a previously approved plan. (c) Submit necessary plan revisions within 30 days after notification that plan revisions are required. (d) Notify the agency within 30 days after approval of its plan by the local emergency management agency, county health department, or Department of Health. (2) An entity subject to this part may temporarily exceed its licensed capacity to act as a receiving provider in accordance with an approved comprehensive emergency management plan for up to 15 days. While in an overcapacity status, each provider must furnish or arrange for appropriate care and services to all clients. In addition, the agency may approve requests for overcapacity in excess of 15 days, which approvals may be based upon satisfactory justification and need as provided by the receiving and sending providers. (3)(a) An inactive license may be issued to a licensee subject to this section when the provider	CZ830

CZ830	Continued From page 1 is located in a geographic area in which a state of emergency was declared by the Governor if the provider: 1. Suffered damage to its operation during the state of emergency. 2. Is currently licensed. 3. Does not have a provisional license. 4. Will be temporarily unable to provide services but is reasonably expected to resume services within 12 months. (b) An inactive license may be issued for a period not to exceed 12 months but may be renewed by the agency for up to 12 additional months upon demonstration to the agency of progress toward reopening. A request by a licensee for an inactive license or to extend the previously approved inactive period must be submitted in writing to the agency, accompanied by written justification for the inactive license, which states the beginning and ending dates of inactivity and includes a plan for the transfer of any clients to other providers and appropriate licensure fees. Upon agency approval, the licensee shall notify clients of any necessary discharge or transfer as required by authorizing statutes or applicable rules. The beginning of the inactive licensure period shall be the date the provider ceases operations. The end of the inactive period shall become the license expiration date, and all licensure fees must be current, must be paid in full, and may be prorated. Reactivation of an inactive license requires the prior approval by the agency of a renewal application, including payment of licensure fees and agency inspections indicating compliance with all requirements of this part and applicable rules and statutes. (4) . . . Licensees providing residential or inpatient services must utilize an online database	CZ830

A 010	Continued From page 1 and the resident is under the care of a physician who agrees that the physical needs of the resident can be met at the facility. The resident must have a plan of care which delineates how the facility and the hospice will meet the scheduled and unscheduled needs of the resident, including, if applicable, staffing for nursing care. (d)1. Except for a resident who is receiving hospice services as provided in paragraph (c), a facility may not admit or retain a resident who is bedridden or who requires 24-hour nursing supervision. For purposes of this paragraph, the term "bedridden" means that a resident is confined to a bed because of the inability to: a. Move, turn, or reposition without total physical assistance; b. Transfer to a chair or wheelchair without total physical assistance; or c. Sit safely in a chair or wheelchair without personal assistance or a physical _____. 2. A resident may continue to reside in a facility if, during residency, he or she is bedridden for no more than 7 consecutive days. 3. If a facility is licensed to provide extended congregate care, a resident may continue to reside in a facility if, during residency, he or she is bedridden for no more than 14 consecutive days. (2) A resident may not be moved from one facility to another without consultation with and agreement from the resident or, if applicable, the resident's representative or designee or the resident's family, guardian, surrogate, or attorney in fact. In the case of a resident who has been placed by the department or the Department of Children and Families, the administrator must notify the appropriate contact person in the applicable department. Administrators who attended core training prior to _____, are not required to take the competency test unless specified elsewhere in this rule; and, 5. Satisfy the continuing education requirements pursuant to rule 59A-36.011, F.A.C. Administrators who are not in compliance with these requirements must retake the core training and core competency test requirements in effect on the date the non-compliance is discovered by the agency or the department. (b) In the event of extenuating circumstances, such as the _____ of a facility administrator, the agency may permit an individual who otherwise has not satisfied the training requirements of subparagraph (1)(a)4. of this rule, to temporarily serve as the facility administrator for a period not to exceed 90 days. During the 90 day period, the individual temporarily serving as facility administrator must: 1. Complete the core training and core competency test requirements pursuant to rule 59A-36.011, F.A.C.; and, 2. Complete all additional training requirements if the facility maintains licensure as an extended congregate care or limited mental health facility.	A 077

A 077	Continued From page 12 (c) Administrators may supervise a maximum of either three assisted living facilities or a group of facilities on a single campus providing housing and health care Administrators who supervise more than one facility must appoint in writing a separate manager for each facility. However, an administrator supervising a maximum of three assisted living facilities, each licensed for 16 or fewer beds and all within a 15 mile of each other, is only required to appoint two managers to assist in the operation and maintenance of those facilities. (d) An individual serving as a manager must satisfy the same qualifications, background screening, core training and competency test requirements, and continuing education requirements as an administrator pursuant to paragraph (1)(a) of this rule. Managers who attended the core training program prior to, are not required to take the competency test unless specified elsewhere in this rule. In addition, a manager may not serve as a manager of more than a single facility, except as provided in paragraph (1)(c) of this rule, and may not serve as an administrator of any other facility. (e) Pursuant to section 429.176, F.S., facility owners must notify the Agency Central Office within 10 days of a change in facility administrator on the Notification of Change of Administrator form, AHCA Form 3180-1006,, which is incorporated by reference and available online at: http://www.flrules.org/Gateway/reference.asp?No=Ref-09393. This Statute or Rule is not met as evidenced by: Based on record review and an interview, the	A 077

A 077	Continued From page 13 facility failed to employ a Manager with the required qualifications for this facility whose administrator was in charge of more than one. The findings included: On at 10:30 AM, the Administrator stated during interview that she did not have a current Manager appointed for this facility with the required CORE training. She identified Staff D as the Manager without the required training. Review of the Clearinghouse (flclearinghouse.com) website's employee roster on revealed Staff D as a current employee with a start date of Review of the CORE training website (alffmacdonald-research.com) on showed no current training and passing of the exam for Staff D. An Administrator supervising a maximum of three assisted living facilities, each licensed for 16 or fewer beds and all within a 15 mile of each other, is only required to appoint two managers to assist in the operation and maintenance of those facilities. This Administrator was also the Administrator of one other facility. Class III	A 077
