An assessment that has been completed through the Comprehensive Assessment and Review for Long-Term Care Services (CARES) Program fulfills the requirements for a medical examination under this subsection and s. 429.07(3)(b)6. (6) Any resident accepted in a facility and placed by the Department of Children and Families must have been examined by medical personnel within 30 days before placement in the facility. The examination must include an assessment of the appropriateness of placement in a facility. The findings of this examination must be recorded on the examination form provided by the agency. The completed form must accompany the resident and be submitted to the facility owner or administrator. Additionally, in the case of a mental health resident, the Department of Children and Families must provide documentation that the individual has been assessed by a psychiatrist, clinical psychologist, clinical social worker, or nurse, or an individual who is supervised by one of these professionals, and determined to be appropriate to reside in an assisted living facility. The documentation must be in the facility within 30 days after the mental health resident has been admitted to the facility. An evaluation completed upon discharge from a state mental hospital meets the requirements of this subsection related to appropriateness for placement as a mental health resident provided that it was completed within 90 days prior to admission to the facility. The Department of Children and Families shall provide to the facility administrator any information about the resident which would help the administrator meet his or her responsibilities under subsection (1). For a violation of any part of this rule, the Agency for Health Care Administration may seek any remedy authorized by Chapter 429, Part I, or Chapter 408, Part II, F.S., including, but not limited to, license revocation, license suspension, and the imposition of administrative fines. (7) COMPREHENSIVE EMERGENCY MANAGEMENT PLAN. (a) Assisted living facilities whose comprehensive emergency management plan is to evacuate must comply with this rule. (b) Each facility whose plan has been approved shall submit the plan as an addendum with any future submissions for approval of its comprehensive emergency management plan. (8) NOTIFICATION. (a) Within five (5) business days, each assisted living facility must notify in writing, unless permission for electronic communication has been granted, each resident and the resident's legal representative: 1. Upon the initial submission of the plan to the county emergency management agency that the plan has been submitted for review and approval; 2. Upon final implementation of the plan by the assisted living facility. 3. Annual submissions and approvals of the plan do not require notification to residents or their legal representatives unless a significant modification as defined in Rule 59A-36.019, F.A.C., has been made to the plan. If the notifications are maintained in an electronic format, facility staff must be readily available to access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on observation and interview, the facility failed to maintain an alternate power source (generator) in working order. Findings: In an interview on _____ at 1pm with the administrator, she stated she has 1 portable generator, with propane fuel for 96 hours for the common areas of the home in an emergency. The facility did have a log that documented checks of the generator and fuel weekly. In an observation on _____ of the facility's alternate power source, a request was made for the administrator to start the generator in order to observe that it was in good working order. The generator would not start. The administrator stated she then noticed the propane fuel was depleted and that is why the generator would not start. In an interview with the administrator at 1:15pm, she stated she confirmed the above finding and stated she would have to reorder the propane. Photographic Evidence Obtained Class III	A 200
