A 093	Continued From page 14 2. Menu items may be substituted with items of comparable nutritional value based on the seasonal availability of fresh produce or the preferences of the residents. (d) Menus must be dated and planned at least 1 week in advance for both regular and therapeutic diets. Residents must be encouraged to participate in menu planning. Planned menus must be conspicuously posted or easily available to residents. Regular and therapeutic menus as served, with substitutions noted before or when the meal is served, must be kept on file in the facility for 6 months. (e) Therapeutic diets must be prepared and served as ordered by the health care provider. 1. Facilities that offer residents a variety of food choices through a select menu, buffet style dining, or family style dining are not required to document what is eaten unless a health care provider's order indicates that such monitoring is necessary. However, the food items that enable residents to comply with the therapeutic diet must be identified on the menus developed for use in the facility. 2. The facility must document a resident's refusal to comply with a therapeutic diet and provide notification to the resident's health care provider of such refusal. (f) For facilities serving three or more meals a day, no more than 14 hours must elapse between the end of an evening meal containing a protein food and the beginning of a morning meal. Intervals between meals must be evenly distributed throughout the day with not less than 2 hours nor more than 6 hours between the end of one meal and the beginning of the next. For residents without access to kitchen facilities, snacks must be offered at least once per day. Snacks are not considered to be meals for the	A 093

AL243	Continued From page 29 to 6 months after the effective date of this rule to meet the training requirement. (b) Administrators, managers and staff do not have to repeat the initial training should they change employers provided they present a copy of their training certificate to the current employer for retention in the facility's personnel files. They must also ensure that copies of the continuing education training certificates, pursuant to subparagraph (a)2. of this subsection, are retained in their personnel files. This Statute or Rule is not met as evidenced by: Based on record review and interview the facility, with a limited mental health license, failed to ensure staff completed the a minimum of 3 hours of continuing education mental health training, biennially for one out of two (Administrator) sampled staff. Findings included: Review of the Administrator personnel record showed a hired date Further review of the record showed the Administrator last received 3 hrs continued education in mental health dated There was no documentation the Administrator received the minimum of 3 hours of continuing education mental health training, biennially in file. On at 2:30 PM, the Administrator confirmed the 3 hours of continuing education mental health training was not in the file. Class III	AL243
