CZ841	408.823() FS In-person Visitation (1) This section applies to _____ centers as defined in s. 393.063, hospitals licensed under chapter 395, nursing home facilities licensed under part II of chapter 400, hospice facilities licensed under part _____ of chapter 400, intermediate care facilities for the _____ licensed and certified under part VIII of chapter 400, and assisted living facilities licensed under part I of chapter 429. (2)(a) No later than 30 days after the effective date of this act, each provider shall establish visitation policies and procedures. The policies and procedures must, at a minimum, include _____ control and education policies for visitors; screening, personal protective equipment, and other _____ control protocols for visitors; permissible length of visits and numbers of visitors, which must meet or exceed the standards in ss. 400.022(1)(b) and 429.28(1)(d), as applicable; and designation of a person responsible for ensuring that staff adhere to the policies and procedures. Safety-related policies and procedures may not be more stringent than those established for the provider's staff and may not require visitors to submit proof of any _____ or immunization. The policies and procedures must allow consensual physical contact between a resident, client, or patient and the visitor. (b) A resident, client, or patient may designate a visitor who is a family member, friend, guardian, or other individual as an essential caregiver. The provider must allow in-person visitation by the essential caregiver for at least 2 hours daily in addition to any other visitation authorized by the provider. This section does not require an essential caregiver to provide necessary care to a resident, client, or patient of a provider, and	CZ841
