A 026	59A-36.007(2) FAC Resident Care - Social & Leisure Activities (2) SOCIAL AND LEISURE ACTIVITIES. Residents shall be encouraged to participate in social, recreational, educational and other activities within the facility and the community. (a) The facility must provide an ongoing activities program. The program must provide diversified individual and group activities in keeping with each resident's needs, abilities, and interests. (b) The facility must consult with the residents in selecting, planning, and scheduling activities. The facility must demonstrate residents' participation through one or more of the following methods: resident meetings, committees, a resident council, a monitored suggestion box, group discussions, questionnaires, or any other form of communication appropriate to the size of the facility. (c) Scheduled activities must be available at least 6 days a week for a total of not less than 12 hours per week. Watching television is not an activity for the purpose of meeting the 12 hours per week of scheduled activities unless the television program is a special one-time event of special interest to residents of the facility. A facility whose residents choose to attend day programs conducted at adult day care centers, senior centers, mental health centers, or other day programs may count those attendance hours towards the required 12 hours per week of scheduled activities. An activities calendar must be posted in common areas where residents normally congregate. (d) If residents assist in planning a special activity such as an outing, seasonal festivity, or an excursion, up to 3 hours may be counted toward the required activity time. A 026	Continued From page 1 Based on observation, interview, and record review, the facility failed to provide an ongoing activities program. This has the potential of affecting all five residents at the facility. Findings include: During a tour of the facility on 06/12/2024 at 9:30 AM, no activity calendar was observed to be present. No activities were observed being held for the residents during the time the survey was conducted (06/12/2024 through 06/13/2024.) During an interview on 06/12/2024 at 3:08PM, a family member of Resident #4 stated, "There are no activities going on." During an interview on 06/13/2024 at 1:36 PM, the Administrator stated, "No we don't have an activities calendar. Well, it's [sic] one in the back, but there is not much on it because none of the residents really like to participate." Review of the facility's admission contract documented, "Page 2. CZ875	Continued From page 28 adult family-care home, or an adult day care center, each employee who provides personal care must complete 3 hours of training in addition to the training required in paragraphs (a) and (b). The additional training must include, but is not limited to, behavior management, promoting the person's independence in activities of daily living, skills in working with families and caregivers, group and individual activities, maintaining an appropriate environment, and ethical issues. (e) For an assisted living facility, adult family-care home, or adult day care center that advertises and provides, or is designated to provide, specialized care for persons with Alzheimer's disease or related forms of dementia, in addition to the training specified in paragraphs (a) and (b), employees must receive the following training: 1. Within 3 months after beginning employment, each employee who provides personal care to or has regular contact with the residents or participants must complete the additional 3 hours of training as provided in paragraph (d). 2. Within 6 months after beginning employment, each employee who provides personal care must complete an additional 4 hours of dementia-specific training. Such training must include, but is not limited to, understanding Alzheimer's disease and related forms of dementia, the stages of Alzheimer's disease, communication strategies, medical information, and stress management. 3. Thereafter, each employee who provides personal care must participate in at least 4 hours of continuing education each calendar year through contact hours, on-the-job training, or electronic learning technology. For this subparagraph, the term "on-the-job training" means a form of direct coaching in which a facility administrator or his or her designee instructs an	CZ875

The continuing education must cover at least one of the topics included in the dementia-specific training in which the employee has not received previous training in the previous calendar year. The continuing education may be fulfilled and documented in a minimum of one quarter-hour increments through on-the-job training of the employee by a facility administrator or his or her designee or by an electronic learning technology chosen by the facility administrator. On-the-job training may not account for more than 2 hours of continuing education each calendar year. (f)1. An employee provided, assigned, or referred by a health care services pool must complete the training required in paragraph (c), paragraph (d), or paragraph (e) that is applicable to the covered provider and the position in which the employee will be working. The documentation verifying the completed training and continuing education of the employee, if applicable, must be provided to the covered provider upon request. 2. A health care services pool must verify and maintain documentation as required under s. 400.980(5) before providing, assigning, or referring an employee to a covered provider. (7) For a certified nursing assistant as defined in s. 464.201, training hours completed as required under this section may count toward the total hours of training required to maintain certification as a nursing assistant. (9) Each person employed, contracted, or referred to provide services before July 1, 2023, must complete the training required in this section before July 1, 2026. Proof of completion of equivalent training completed before July 1, 2023, shall substitute for the training required in subsection (4). Each person employed, contracted, or referred to provide services on or after July 1, 2023, may complete training using approved curriculum under paragraph (5)(d) until the effective date of the rules adopted by the department under subsection (6). This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility failed to ensure 1 of 3 sampled employees completed the required one-hour training for Alzheimer's disease and related forms of dementia within 30 days of beginning employment, Staff B. Findings include: Review of employee records conducted on 06/12/2024 revealed Staff B, Resident Aide/Medication Technician, was hired on 02/21/2024. Staff B's record did not have documentation evidence that Staff B completed a one-hour training program for Alzheimer's disease and related forms of dementia. During an interview on 06/13/2024 at 1:43 PM, the Administrator confirmed that Staff B had not completed the required training program. Class III	CZ875
