A 200	Continued From page 14 SANCTIONS. For a violation of any part of this rule, the Agency for Health Care Administration may seek any remedy authorized by Chapter 429, Part I, or Chapter 408, Part II, F.S., including, but not limited to, license revocation, license suspension, and the imposition of administrative fines. (7) COMPREHENSIVE EMERGENCY MANAGEMENT PLAN. (a) Assisted living facilities whose comprehensive emergency management plan is to evacuate must comply with this rule. (b) Each facility whose plan has been approved shall submit the plan as an addendum with any future submissions for approval of its comprehensive emergency management plan. (8) NOTIFICATION. (a) Within five (5) business days, each assisted living facility must notify in writing, unless permission for electronic communication has been granted, each resident and the resident's legal representative: 1. Upon the initial submission of the plan to the county emergency management agency that the plan has been submitted for review and approval; 2. Upon final implementation of the plan by the assisted living facility. 3. Annual submissions and approvals of the plan do not require notification to residents or their legal representatives unless a significant modification as defined in Rule 59A-36.019, F.A.C., has been made to the plan. (b) Each assisted living facility must maintain a copy of each notification set forth in paragraph (a) above in a manner that makes each notification readily available at the licensee's physical address for review by a legally authorized entity. If the notifications are maintained in an electronic format, facility staff must be readily available to	A 200

A 200	Continued From page 15 access and produce the notifications. For purposes of this section, "readily available" means the ability to immediately produce the notifications, either in electronic or paper format, upon request. This Statute or Rule is not met as evidenced by: Based on interview and record review, the facility failed to maintain a copy of its approved Emergency Environmental Control Plan readily available for review. Findings included: A review of the facility's records showed no approved emergency environmental control plan . On at 1:00 PM, the Administrator stated that they had all the inspections done, but he was unable to provide the documentation during the survey. Class III	A 200
