A 000	Initial Comments A re-licensure (biennial) survey with Limited Nursing Services (LNS) and Limited Mental Health (LMH) was conducted at Wellspring Assisted Living Facility on . Deficiencies were identified at the time of the survey.	A 000		
AL243 SS=C	429.075(1) FS; 59A-36.011(9) FAC LMH - Training 429.075 (1) To obtain a limited mental health license, a facility must hold a standard license as an assisted living facility, must not have any current uncorrected violations, and must ensure that, within 6 months after receiving a limited mental health license, the facility administrator and the staff of the facility who are in direct contact with mental health residents must complete training of no less than 6 hours related to their duties. This designation may be made at the time of initial licensure or relicensure or upon request in writing by a licensee under this part and part II of chapter 408. Notification of approval or denial of such request shall be made in accordance with this part, part II of chapter 408, and applicable rules. This training must be provided by or approved by the Department of Children and Families. 59A-36.011 (9) LIMITED MENTAL HEALTH TRAINING. (a) Pursuant to section 429.075, F.S., the administrator, managers and staff, who have direct contact with mental health residents in a licensed limited mental health facility, must receive the following training: 1. A minimum of 6 hours of specialized training in working with individuals with mental health diagnoses.	AL243

a. The training must be provided or approved by the Department of Children and Families and must be taken within 6 months of the facility's receiving a limited mental health license or within 6 months of employment in a limited mental health facility.
b. Training received under this subparagraph may count once for 6 of the 12 hours of continuing education required for administrators and managers pursuant to section 429.52(5), F.S., and subsection (1) of this rule.
2. A minimum of 3 hours of continuing education, which may be provided by the ALF administrator, online, or through distance learning, biennially thereafter in subjects dealing with one or more of the following topics:
a. Mental health diagnoses; and,
b. Mental health treatment such as:
(I) Mental health needs, services, behaviors and appropriate interventions;
(II) Resident progress in achieving treatment goals;
(III) How to recognize changes in the resident's status or condition that may affect other services received or may require intervention; and,
( ) Crisis services and the procedures.
3. For administrators and managers, the continuing education requirement under this subsection will satisfy 3 of the 12 hours of continuing education required biennially pursuant to section 429.52(5), F.S., and subsection (1) of this rule.
4. Administrators, managers and direct contact staff affected by the continuing education requirement under this subsection shall have up to 6 months after the effective date of this rule to meet the training requirement.
(b) Administrators, managers and staff do not have to repeat the initial training should they change

AL243	Continued From page 2 employers provided they present a copy of their training certificate to the current employer for retention in the facility's personnel files. They must also ensure that copies of the continuing education training certificates, pursuant to subparagraph (a)2. of this subsection, are retained in their personnel files. This Statute or Rule is not met as evidenced by: Based on record review and interview, the facility that held a Limited Mental Health license (LMH), failed to provide direct care staff with the required LMH in-service training for three employees (Administrator, Staff B and Staff C) out of three sampled employees. Findings Included: An employee record review for the Administrator was conducted on . The review revealed that the Administrator was hired on . There was no evidence in the record that the employee had received the required additional 3 hours of continuing education for LMH training every 2 years. An employee record review for Staff B was conducted on . The review revealed that Staff B was hired on . There was no evidence in the record that the employee had received the required six-hour LMH training, within six months after the start of employment. An employee record review for Staff C was conducted on . The review revealed that Staff C was hired on . There was no evidence in the record that the employee had	AL243
