A 000	Initial Comments A biennial re-licensure survey was conducted at Stellar ALF II on Deficiencies were identified at the time of the survey.	A 000		
A 054 SS=D	59A-36.008(5) FAC Medication - Records (5) MEDICATION RECORDS. (a) For residents who use a pill organizer managed in subsection (2), the facility must keep either the original labeled medication container; or a medication listing with the prescription number, the name and address of the issuing pharmacy, the health care provider's name, the resident's name, the date dispensed, the name and strength of the drug, and the directions for use. (b) The facility must maintain a daily medication observation record for each resident who receives assistance with self-administration of medications or medication administration. A medication observation record must be immediately updated each time the medication is offered or administered and include: 1. The name of the resident and any known . . . the resident may have; 2. The name of the resident's health care provider and the health care provider's telephone number; 3. The name, strength, and directions for use of each medication; and, 4. A chart for recording each time the medication is taken, any missed dosages, refusals to take medication as prescribed, or medication errors. (c) For medications that serve as chemical . . . , the facility must, pursuant to Section 429.41, F.S., maintain a record of the prescribing physician's annual evaluation of the use of the medication. A 054	Continued From page 1 This Statute or Rule is not met as evidenced by: Based on record review and interview the facility failed to ensure residents who received assistance with self-administration of medications, medication observation record was immediately updated each time the medication is offered or administered for two out of five (Resident #2 and #3) sampled residents. Findings included Review of Resident #2 medication observation record dated at 11:00 AM, revealed Resident #2 medication SOD 100 mg capsule prescribed for 7:00 PM was initialed as given. Review of the medication bingo card showed the medication SOD 100 mg capsule was still inside the medication card. Review of Resident #3 medication observation record dated at 11:00 AM revealed the medication 50 mg tablet prescribed for 8:00 AM, was not initialed/signed as being offered or administered to the resident. Review of the medication bingo card showed the medication 50 mg tablet was not inside the medication card. On at 1:00 PM, concerning the medication observation records, the Administrator stated, "I usually review the medication sheet after the medications are given, but today I did not get a chance to review them." A 084	Continued From page 2 59A-36.011 (6) ASSISTANCE WITH THE SELF-ADMINISTRATION OF MEDICATION AND MEDICATION MANAGEMENT. Unlicensed persons who will be providing assistance with the self-administration of medications as described in rule 59A-36.008, F.A.C., must meet the training requirements pursuant to section 429.52(6), F.S., prior to assuming this responsibility. Courses provided in fulfillment of this requirement must meet the following criteria: (a) Training must cover state law and rule requirements with respect to the supervision, assistance, administration, and management of medications in assisted living facilities; procedures and techniques for assisting the resident with self-administration of medication including how to read a prescription label; providing the right medications to the right resident; common medications; the importance of taking medications as prescribed; recognition of side effects and adverse reactions and procedures to follow when residents appear to be experiencing side effects and adverse reactions; documentation and record keeping; and medication storage and disposal. Training shall include demonstrations of proper techniques, including techniques for control, and ensure unlicensed staff have adequately demonstrated that they have acquired the skills necessary to provide such assistance. (b) The training must be provided by a registered nurse or licensed pharmacist who shall issue a training certificate to a trainee who demonstrates, in person and both physically and verbally, the ability to: 1. Read and understand a prescription label; 2. Provide assistance with self-administration in accordance with section 429.256, F.S., and rule	A 084
